HOW TO
WEAR A FACE COVERING

YOUR FACE COVERING SHOULD:

- Fit snugly but comfortably against the side of the face
- Be secured with ties or ear loops
- Include multiple layers of fabric
- Allow for breathing without restriction
- Be able to be laundered and machine dried without damage or change to shape.

FACE COVERING TYPES INCLUDE:

Mask | Cloth | Bandana

1 **Remember to wash your hands before putting on a face covering.** Secure it by tightening ear loops or ties. **Wash your hands afterwards.**

2 **Avoid touching your eyes or the surface of your face covering while wearing it.** You are expected to wear it unless physically isolated.

3 When removing your face covering, **avoid touching the surface and your eyes, nose, and mouth.**

4 **Wash your hands immediately** upon removing your face covering, which should be washed frequently.
