

## Department of Family Medicine

July 2011 thru June 2012

### I. PUBLICATIONS

#### A. Journal Publications

**Bailey B.** Partner violence during pregnancy: Prevalence, effects, screening and management. *Int J Womens Health.* 2010; 2:183-197. PDF

Carlosh K, Allen S, Dalton WT and **Bailey B.** Weight concern, body image, and compensatory behaviors in rural pregnant smokers: A preliminary investigation. *Journal of Rural Metal Health.* 2011;35,17-22. PDF

Gaddipati VC, **Bailey BA,** Kuraicose R, Copeland RJ, Manning T and Peiris AN. The relationship of vitamin D status to cardiovascular risk factors and amputation risk in veterans with peripheral arterial disease. *J Am Med Dir Assoc.* 2011;12(1):58-61. PDF

Holt N, Schetzina KE, Dalton WT, **Tudiver F,** Fulton-Robinson H and **Wu T.** Primary care practice addressing child overweight and obesity: A survey of primary care physicians at four clinics in southern Appalachia. *South Med J.* 2011;104(1):14-19. PDF

**Bailey BA** and Wright HN. Breastfeeding initiation in a rural sample: Predictive factors and the role of smoking. *J Hum Lact.* 2011; 27(1):33-40. PDF

**Bailey BA,** McCook JG, Hodge A, **McGrady L.** Infant birth outcomes among substance using women: Why quitting smoking during pregnancy is just as important as quitting harder drugs. *J Matern Child Health J.* 2011; online edition. PDF

McKinney JD, **Bailey BA,** Garrett LH, Peiris P, Manning T, Peiris AN. Relationship between vitamin D status and ICU outcomes in veterans. *J Am Med Dir Assoc.* 2011;12(3): 208-211. PDF

Bayard M, **Bailey B,** Acharya D, Ambreen F, Suggal S, Kaur T, Rahman ZU, Roller K, **Tudiver F.** Bupropion and Restless Legs Syndrome: A randomized controlled trial. *Journal of the American Board of Family Practice,* 24:422-428, 2011.

Peiris AN, **Bailey BA,** Peiris P, Copeland RJ, Manning T. Race and vitamin D status in veterans in the Southeastern United States. *Journal of the National Medical Association,* 103:492-497, 2011.

Dalton W.T. III, Schetzina K.E., Holt N., Fulton-Robinson H., Ho A., **Tudiver F.,** McBee M.T., & **Wu T.** Parent-Led Activity and Nutrition (PLAN) for healthy living: Design and methods. *Contemporary Clinical Trials.* August 2011. [www.elsevier.com/locate/conclintrial](http://www.elsevier.com/locate/conclintrial).

Longenecker, R., Zink, Therese, & **Florence, J.** (2011). Teaching and Learning Resilience: Building Adaptive Capacity for Rural Practice. A Report and Subsequent Analysis of a Workshop Conducted at the Rural Medical Educators Conference, Savannah, GA. May 18, 2010. *The Journal of Rural Health.* doi: 10.1111/j.1748-0361.2011.00376.x

Peiris AN, **Bailey BA,** Guha N, Copeland R, Manning T. Can a model predictive of vitamin D status be developed from common laboratory tests and demographic parameters? *Southern Medical Journal,* 104:636-639, 2011.

**Bailey BA,** McCook, JG, Hodge A, **McGrady L.** Infant birth outcomes among substance using women: Why quitting smoking during pregnancy is just as important as quitting harder drugs. *Maternal and Child Health Journal,* 16:414-422, 2012.

Youssef D, **Bailey B**, Atia A, El-Abbassi A, Manning T, Peiris AN. Differences in outcomes between cholecalciferol and ergocalciferol supplementation in veterans with inflammatory bowel disease. *Geriatrics and Gerontology International*. Published Online First, 10 Jan 2012, DOI: 10.1111/j.1447-0594.2011.00798.x; print version in press.

**Bailey BA**, Peiris AN, Manning T. Vitamin D testing patterns among six Veterans Affairs Medical Centers in the Southeastern United States. *Military Medicine*, 177: 70-76, 2012.

Youssef D, **Bailey B**, El Abbassi A, Vannoy M, Manning T, Moorman JP, Peiris A. Health care costs of methicillin resistant *Staphylococcus aureus* and *Pseudomonas aeruginosa* infections in veterans: Role of vitamin D deficiency. *European Journal of Clinical Microbiology and Infectious Disease*, 31:281-286, 2012.

**Bailey BA**, Manning T and Peiris AN. Vitamin D and medical costs in veterans: The impact of living in rural and urban areas. *Journal of Rural Health*. Published Online First, 4 Apr 2012 | DOI: 10.1111/j.1748-0361.2012.00407.x; print version in press.

Chiodo LM, **Bailey BA**, Janisse J, Delaney-Black V, Sokol RJ, and Hannigan JH. Spontaneous abortion and patterns of pregnancy alcohol use. *Alcohol*, 46:261-267, 2012.

Peiris AN, **Bailey BA**, Grant WB and Mascitelli L. Routine vitamin D measurement is justified. Letter to the editor. *The Lancet*, 379:1699-1701, 2012.

Stephens M and **Fox BA**. "Therapeutic options for the treatment of hypertension in children and adolescents." *Clin Med Insights Circ Respir Pulm Med*.2012; 6:13-25. Published online 2012 February 29.

## II. PAPERS, ABSTRACTS, AND/OR POSTER PRESENTATIONS:

### A. Regional and National

**Bailey BA**, Clements AD, McCook JG and **McGrady LU**. Prenatal Smoke Exposure and Language Outcomes at 15 Months: Social Aspects of Communication vs Expressive and Receptive Language. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Bailey BA**, Clements AD, McCook JG and **McGrady LU**. Quitting Smoking During Pregnancy and Birth Outcomes: Evidence of Gains Following Cessation by Third Trimester. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Bailey BA**, McCook JG, Hodge AL and **McGrady LU**. Infant Birth Outcomes Among Substance Using Women; Why Quitting Smoking is Just as Important as Quitting Harder Drugs. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Bailey BA, PhD and McGrady, LU, MS**. Effectiveness of a Rural Pregnancy Smoking Intervention: The Tennessee Intervention for Pregnant Smokers (TIPS) Program. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Bailey BA, PhD**. Second Hand Smoke Exposure During Pregnancy: The Role of Intimate Partner Violence. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

McCook, JG, PhD, CNS, RN-BC, Williams, SL, PhD, **Bailey BA, PhD**, Anand, S, MD, Reame, NE PhD, RN, and Thather, SS, MD, Deceased. Differential Contributions of the Reproductive and Metabolic Features of Polycystic Ovary Syndrome (PCOS) to Psychological Symptoms. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**McGrady LU, MS**, Ermakova, A, MA, **Bailey BA, PhD**. Postnatal Depression Predicts New Mothers' Smoking in Northeast Tennessee. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN

**Bailey BA**, Clements AD, Scott JL, **McGrady LU**. Prenatal smoke exposure and language outcomes at 15 months: Social aspects of communication vs expressive and receptive language. Presented at the Society for Research in Child Development annual meeting. March 31, 2011; Montreal, QC, Canada.

Clements AD, **Bailey BA**, Ermakova A. Measuring religiosity and risk in a prenatal population: Attendance, prayer, influence or surrender to predict developmental risk? Presented at the Society for Research in Child Development annual meeting. March 31, 2011; Montreal, QC, Canada.

Turner JH, Correll JA, Carlosh K, **Bailey BA**, Dalton WT. Psychosocial risk factors for smoking in pregnant women in rural Appalachia. Presented at the Appalachian Student Research Forum. March 24, 2011; Johnson City, TN.

**McGrady LU**, Ermakova A, **Bailey BA**. Postnatal depression predicts new mothers' smoking in Tennessee. Presented at the Tennessee Public Health Association annual meeting, Franklin, TN, September 2011.

Clements AD, Ermakova A and **Bailey BA**. Surrender coping predicts low anxiety in rural Appalachian college students. Presented at the Society at the Scientific Study of Religion. October, 2010; Baltimore, MD.

Clements AD, Ermakova A and **Bailey BA**. Screening for religious commitment: Prediction of surrender to God from a single-item. Presented at the Scientific Study of Religion. October, 2010; Baltimore, MD.

McCook JG, William SL, Anand S, **Bailey BA**. Polycystic ovary syndrome: Morbidity issues and the psychological impact on infertile women. Presented at the American Public Health Association annual meeting, October 2011, Washington, DC.

**Bailey BA**. Secondhand smoke exposure during pregnancy: The role of intimate partner violence. Presented at the Women's Health Across the Lifespan annual meeting, Johnson City, TN, October 2011 – first place poster winner.

McCook JG, Williams SL, **Bailey BA**, Anand S, Reame NE, Thatcher SS. Differential contributions of the reproductive and metabolic features of polycystic ovary syndrome to psychological symptoms. Presented at the Women's Health Across the Lifespan annual meeting, Johnson City, TN, October 2011 – second place poster winner.

**McGrady LU**, Ermakova A, **Bailey BA**. Postnatal depression predicts new mothers' smoking in Tennessee. Presented at the Women's Health Across the Lifespan annual meeting, Johnson City, TN, October 2011 – third place poster winner.

Carlosh K, Allen S, Dalton WT and **Bailey BA**. Weight concerns and body image as related to compensatory behavior among rural pregnant smokers. Presented at the Association for Behavioral and Cognitive Therapies annual meeting. November 2010; San Francisco, CA.

**Bailey BA**, and **McGrady LU**. Effectiveness of a Rural Pregnancy Smoking Intervention: First Three Years of the Tennessee Intervention for Pregnant Smokers (TIPS) Program. Presented at the March of Dimes Prematurity Prevention Symposium, January 2012, Washington, DC.

**Bailey BA**, **McGrady LU**. Effectiveness of a rural pregnancy smoking intervention: First three years of the Tennessee Intervention for Pregnant Smokers (TIPS) program. Presented at the Society for Research in Nicotine and Tobacco annual meeting, March 2012, Houston, TX.

**Bailey BA.** Secondhand smoke exposure during pregnancy: The role of intimate partner violence. Presented at the Society for Research in Nicotine and Tobacco annual meeting, March 2012, Houston, TX.

Clements AD, Ermakova AV and **Bailey BA.** Prenatal substance use is substantially lower in religiously committed, married, and cohabiting women. Presented at the 33rd Annual Meeting of the Society of Behavioral Medicine, April 2012, New Orleans, LA.

Ermakova AV, Clements AD and **Bailey BA.** Religious Commitment as a predictor of decreased blood pressure in high-risk pregnancies of Southern Appalachia. Presented at the 33rd Annual Meeting of the Society of Behavioral Medicine, April, 2012, New Orleans, LA.

Fletcher T, Clements AD, **McGrady LU** and **Bailey BA.** Stress, self-esteem, and smoking during pregnancy. Presented at the 33rd Annual Meeting of the Society of Behavioral Medicine, April, 2012, New Orleans, LA.

Fletcher TR, Clements AD, **Bailey BA** and **McGrady LU.** Religious surrender and attendance scale predicts prenatal depression. Presented at the Appalachian Student Research Forum, Johnson City, TN. April 2012.

Fletcher TR, Clements AD, **Bailey BA** and **McGrady LU.** Stress, self-esteem, and pregnant smokers. Presented at the 2012 Appalachian Student Research Forum, Johnson City, TN, April 2012.

John KH, Fletcher TR, Clements AD, **Bailey BA** and **McGrady LU.** Perceptions of smoking health risks during pregnancy: Comparison of smokers and non-smokers. Presented at the Appalachian Student Research Forum, Johnson City, TN.

Clements AD, Ermakova AV and **Bailey BA.** Religious commitment predicts lower incidence of preterm birth in rural Appalachian women. Presented at the 33rd Annual Meeting of the Society of Behavioral Medicine, April 2012, New Orleans, LA.

**Bockhorst P, Lubrano J, and Brummel M.** Incorporating Basic Osteopathic Manipulative Medicine (omm) Into The Md Precepting Repertoire. Presented at STFM meeting. April 26-30; New Orleans, LA.

**Bockhorst P, and Stockwell G,** Harris E. Resident applicant structured evaluation: One evolving strategy. Presented at the 45th Annual Spring Conference, Society of Teachers of Family Medicine (STFM). April 28, 2012; Seattle, Washington.

**Brummel M, Blackwelder R, Fox B, Stockwell G, and Moore J.** Rapid resident skills evaluation using the integrated OSCE. Presented at the 45th Annual Spring Conference, Society of Teachers of Family Medicine (STFM). April 26, 2012; Seattle, Washington.

**Florence JE.** Teaching and Learning Resilience: Building Adaptive Capacity for Rural Practice. A report and subsequent analysis of a workshop conducted at the Rural Medical Educators Conference. May 18, 2011; Savannah, GA.

**Florence J and Bennard B.** Elevating community perspectives in the curriculum: The evolution of a community preceptor working group. Presented at the 45th Annual Spring Conference, Society of Teachers of Family Medicine (STFM). April 26, 2012; Seattle, Washington.

**Fox BA,** MD, MPH, FAAFP, Temple R, MD, Pelkowski T MD, Lynch S, MD, Latham J, DO, Noble B, MD and Shanbaky Miller I. Improving Transitions of Care. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Fox, BA.** "Rapid resident skills evaluation using the integrated OSCE," presented with Dr. Brummel, Dr. Blackwelder, Dr. Moore, and Glenda Stockwell, PhD at the 45<sup>th</sup> Society of Teachers of Family Medicine Annual Meeting in Seattle, Washington, April 2012.

**Fox, BA.** "Goal directed learning: early assessment, graduated responsibility, and individualized education plans for family medicine interns," presented at the 12<sup>th</sup> International Meeting on Simulation in Healthcare, San Diego, California, January 2012.

**Fox, BA.** "Not all simulation is resuscitation: using simulation and standardized patients as a means to teach communication skills," presented with Dr. Tuell at the 12<sup>th</sup> International Meeting on Simulation in Healthcare, San Diego, California, January 2012.

**Fox, BA.** "Moulage for dummies," presented with William Linne BS, BFA at the 12<sup>th</sup> International Meeting on Simulation in Healthcare, San Diego, California, January 2012.

**Fox, BA.** "Improving transitions of care," presented with UNC Educational Collaborative at 8<sup>th</sup> Annual Primary Care Research Day in Johnson City, Tennessee, February 2012.

**Fox, BA.** "Testing a checklist in a simulation OSCE," presented at the 2011 American Academy of Family Physicians Scientific Assembly in Orlando, Florida, September 2011.

**Franko J** and Greer E. The Impact of Modern Design Principles on Education, Work Flow and Productivity in the Academic Patient Centered Medical Home. Presented at the Association of Departments of Family Medicine Annual Conference. February 24, 2011; Atlanta, GA.

**Franko J.** Title VII and the Physician Workforce. Presented at Congressional Briefing, Rayburn House Office Bldg. March 23, 2011; Washington, D.C.

**Holt J.** Chronic disease management. Presented to First year Medical Students. February 16, 2011; ETSU, Quillen College of Medicine, Johnson City, TN.

**Holt J.** Practice Management. Presented to Forth year Medical Students. March 30, 2011; ETSU, Quillen College of Medicine, Johnson City, TN

**Holt J, Garret WA, Gerayli F, and Schweitzer J.** Developing an R1 orientation rotation to minimize direct supervision needs and to transition to PCMH. Presented at the 45th Annual Spring Conference, Society of Teachers of Family Medicine (STFM). April 26, 2012; Seattle, Washington.

**Lang, F, Floyd, M and Stockwell, G.** Addressing the Ten Most Challenging Communication Moments in Caring for Patients With Cancer. Seminar presented at the 44th STFM Annual Spring Conference, April 27-May 1, 2011, New Orleans, LA.

**Lang, F, Floyd, M and Stockwell, G.** Addressing the Ten Most Challenging Communication Moments in Caring for Patients with Cancer. Seminar presented at the 44th STFM Annual Spring Conference, April 27-May 1, 2011, New Orleans, LA.

Schetzina KE, MD, MPH, Dalton WT, PhD, Flannery A, Holt N, MPH, Aiken M and **Tudiver F, MD.** Parent and Provider Perceptions of Use of the NIH We Can! Curriculum for Group Visits in Primary Care to Treat Child Overweight and Obesity: Findings From the PLAN for Healthy Living Study. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

Maphis LE, MA, Dalton W, PhD, Schetzina K, MD, MPH, McBee MT, PH.D, Holt N, MPH, **Tudiver F, MD,** and **Wu T MD, PhD, MS.** Primary Care Child Overweight Intervention Targeting Parents: Results from the Parent-Led Activity and Nutrition (PLAN) for Healthy Living Trial. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Tudiver F, Click I, and Basden JA.** A new model for assessing teaching quality improvement to family medicine residents: Does it work? Presented at the 45th Annual Spring Conference, Society of Teachers of Family Medicine (STFM). April 27, 2012; Seattle, Washington.

**Click IA, MA, Basden JA, MS and Tudiver F, MD.** A Multidimensional Study of No-Show Rates in a Family Medicine Residency Program. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Anderson, HK, MPH and Tudiver F, MD.** Reduction In Refill Phone Calls To A Rural Primary Care Clinic. An AppNET Quality Improvement Project. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Koscinski E, DO, Gilbert-Green P, DO, Pullamaraju S, MD, Yamani F, MD, Gorospe A, MD, and Toups A, MD.** Improving Colorectal Cancer Screening in a Family Medicine Residency Program. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN. **(Family Medicine Residents)**

**Reddy T, MD.** Ten Great Reasons to Become a Family Physician. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

Vaughn LM, Pharm D, Cross LB, BCACP, CDE, **Flores E, Pharm D, BCPS, Bossaer L, Pharm D, BCPS, and Moore J, MD.** Interprofessional Home Visits and Identification of Medication Errors During a Family Medicine Clerkship. Presented at Primary Care Research Day. February 2, 2011; Johnson City, TN.

**Urbin T.** 02/11/2011 "Early Detection of Mild Cognitive Impairment and Dementia", Illinois Speech & Hearing Association Annual Meeting, Chicago

**Urbin T.** 02/10/2011 "Relationship of Neuroanatomy to Assessment and Treatment", Illinois Speech & Hearing Association Annual Meeting, Chicago.

**Urbin, T.** 05/05/2011 "Understanding Changes to the Brain, the Person, the Family, and the Future: When the Brain Receives Injury". Presented at Disability Law & Advocacy Center, UT-Batelle Center, Oak Ridge TN

**Urbin, T.** 09/23/2011 "From War to High School: An Update on Assessing & Treating Mild Traumatic Brain Injury in Family Medicine", 32nd Forum for Behavioral Science in Family Medicine, Chicago

**Urbin, T.** 10/28/2010 "When the Brain Has Been Injured: Neuropsychology for the Non-neuropsychologist", Tennessee Psychological Association Annual Meeting, Nashville, TN

**Urbin, T.** 11/03/2011 "Functional Neuroanatomy for Psychologists: Eliminating Mind-Body Dualism in Daily Practice", Tennessee Psychological Association Annual Meeting, Nashville, TN

## **B. Books or Chapters**

**Holt, J.** Updating the "Mitral Valve Prolapse" chapter for *Essential Evidence Plus*. Will likely submit in fall or in winter.

## **C. Proceedings**

### **III. INVITED PRESENTATIONS (i.e grand rounds, keynote addresses, guest speakers, etc)**

**Bailey, B.** Grand Rounds Presentation – ETSU Department of Pediatrics

### **IV. OTHER (serving as committee chairs, organizing professional conferences, developing programs, conducting and presenting case studies, etc)**

**Blackwelder, R.** Podcast on 5/31. This is the live broadcast that is available for download on Mp3. Here is the link <http://www.familymedicinerocks.com/family-medicine-rocks-blog/2012/5/31/dr-reid-blackwelder-interview.html>

**Blackwelder, R.** On 5/9, I wrote a blog piece for Academy News Now on advocacy for medical students. The link is <http://blogs.aafp.org/cfr/leadervoices/search?q=blackwelder>

**Blackwelder, R.** The Family Physician of the Future – The Atlantic. The link is <http://www.theatlantic.com/health/archive/2011/06/the-family-physician-of-the-future/240540>

**Fox, B.** University of North Carolina Faculty Development Fellowship, University of North Carolina, Chapel Hill, North Carolina.

**Fox, B.** Program Chair for Practical Strategies for Medical Adherence Planning Committee, Tennessee Department of Health, Franklin, Tennessee 2012.

**Fox, B.** Vice President, Tennessee Academy of Family Physicians, 2011-2012.

**Fox, B.** Program Chair for the Tennessee Academy of Family Physicians 63rd Scientific Assembly, Gatlinburg, Tennessee, October 2011.

**Fox, B.** Assembly Moderator, Tennessee Academy of Family Physicians, 63rd Annual Assembly and Scientific Program, Gatlinburg, Tennessee, October 2011.

**Holt, J** and Hamby R. Co-Chairs of Geriatrics Conference Series Planning Committee

## V. VISITING PROFESSORS

## VI. EXTRAMURAL FUNDING

### A. Peer Review

**Fox, B.** Peer Reviewer for Annals of Family Medicine, “Polymyalgia rheumatic: diagnosis, prescribing and monitoring in general practice,” submitted May 2012.

**Fox, B.** Peer Reviewer for British Medical Bulletin, “Autologous conditioned serum in osteoarthritis and other possible applications in musculoskeletal disorders” submitted May 2012.

**Fox, B.** Peer Reviewer for Workshop Proposals for 12<sup>th</sup> International Meeting on Simulation in Healthcare, San Diego, January 2012.

**Fox, B.** Peer Reviewer for Journal of Family Practice, “Exercise associated proteinuria: a literature review” submitted July 2011.

**Fox, B.** Peer Reviewer for American Family Physician, “Recommendation for preconception counseling and care,” submitted June 2012

## B. Other Sponsored Activities (grant submission/funded)

### Currently Funded Grant Projects and Family Medicine PIs/ Co-investigators

Project Title	PI/ Co-PIs	Funding Agency	Project Period / Grant Amount
Tennessee Intervention for Pregnancy Smoking (TIPS) Project for Northeast Tennessee	Beth Bailey	State of Tennessee	March 1, 2007 – Dec 31, 2010 \$1,440,283 Continuation funding approved: January 1, 2011 – June 30, 2012 Tentative budget: \$654,000
Instructional Modules to Improve Cancer Communication	Forrest Lang  Family Medicine Co-Is: Fred Tudiver, Beth Bailey, Mike Floyd, Glenda Stockwell, Tim Urbin	NIH/NCI	July 6, 2009 – June 30, 2014 \$302,293 for Year 1 \$314,821 for Year 2 \$314,426 for Year 3 \$321,962 for Year 4 \$321,513 for Year 5 Total award: \$1,575,015 Progress report / non-competing continuation application requesting Year 4 funding was submitted and we received the new NGA on May 11, 2012.
Improving Quality of Care Through an Appalachian Practice Based Research Network	Fred Tudiver	HRSA	Sept 1, 2010 – June 30, 2015 \$250,000 for Year 1 \$250,000 for Year 2 \$250,000 for Year 3 \$250,000 for Year 4 \$200,000 for Year 5 Total award: \$1,200,000 Noncompeting continuation (NCC) progress report for Year 3 funding was submitted 3/12/12; performance report due 8/12.
Expanding Primary Care and Community Medicine to Third-Year Medical Students	Joe Florence	HRSA	Sept 1, 2010 – June 30, 2015 \$233,073 for Year 1 \$234,197 for Year 2 \$172,651 for Year 3 \$162,868 for Year 4 \$164,676 for Year 5 Total award: \$967,465 Noncompeting continuation (NCC) progress report for Year 3 funding was submitted 3/13/12; performance report due 8/12.
SBIRT TN: An SBIRT Model in Primary Care and Community Settings for High Risk Populations	Mike Floyd and Beth Bailey (ETSU Family Medicine) Angela McKinney Jones (TN Department of Mental Health)	DHHS SAMHSA Sub-contract with the TN Dept of Mental Health, Division of Alcohol and Drug Abuse Services	Oct 1, 2011 – Aug 31, 2016 \$8.33 million over 5 years (\$1.666 million per year), with ETSU's contract at ~\$433,000/yr.
<b>Intramurally Funded Projects:</b>			
Project Title	PI/ Co-PIs	Funding Agency	Project Period / Grant Amount
Developing and Testing an OSCE on the Use of the Human Patient Simulator	Beth Fox	ETSU RDC Major Research Grant	\$9,903

### Currently Submitted Grant Projects and Family Medicine PIs/ Co-investigators

Grant	PI	Funding Agency	Requested	Submitted	Decision
Health Promotion Education for Prenatal Providers in Appalachia	Beth Bailey West Virginia U is lead applicant.	Appalachian Regional Commission	\$120,000 over 2 yrs (+\$30k match)	Jan 2012: LOI	Pending.
Transforming the Primary Care Physician Workforce: Primary Care Accelerated Track Consortium (PCATCH)	COM submission Texas Tech is the lead applicant, with five other medical schools in the consortium	CMS-CMMICenter for Medicare & Medicaid Innovation	ETSU portion: Y1: \$1,021,685 Y2: \$1,221,098 Y3: \$1,217,720 TOTAL (3 yrs): \$3,460,503	January 2012	Pending. Per Betsy Jones, there was a delay in decisions to be made March 2012, due to ~3000 grant applications.
Evaluation of a Brief Alcohol Screen vs Standard & Bio Measures in School Health	Beth Bailey CoPI Rush University is lead applicant.	NIH / NIAAA R01	ETSU portion: \$1,473,749 over 5 yrs.	February 2012	Pending.
Improvement in Home Blood Pressure Monitoring in a Rural Appalachian Population	Anupreet Kaur, Resident Investigator; Fred Tudiver, mentor.	AAFP Foundation Resident Research Grant Program	\$2,000	March 2012	Pending
2012 Workforce Demand Assessment	Fred Tudiver, Beth Bailey Co-I	Tennessee Rural Partnership	\$70,769 over 6 months \$61,538 direct \$9,231 IDC	May 2012	Pending

### Grant Opportunities Under Consideration

Grant	PI	Funding Agency	Request	Deadline	Comments
TBD: Partnerships for Sustainable Research and Dissemination of Evidence-based Medicine	TBD – None identified	AHRQ (R24)	TBD – 3-yrs Max \$300k/yr, direct & IDC	5/22/12	Insufficient time to develop project by deadline.
Community-Based Participatory Research (CBPR) Initiative in Reducing and Eliminating Health Disparities: Planning Phase	TBD, possibly Beth Bailey	NIH / NIMHD (R24)	TBD – up to \$250,000 direct costs per year, for 3 years	6/27/12 LOI deadline (ORSPA): 5/23/12	Only one proposal per institution; 25% effort of community agency personnel.
TBD	TBD	CMS-CMMICenter for Medicare & Medicaid Innovation	TBD	Second Wave: LOI: TBD App: TBD (Spring 2012)	There may be no Wave 2 funding as they received 3000 Wave 1 proposals.
Title - TBD Infrastructure Development Program in Patient-Centered Outcomes Research (PCOR)	TBD – Need PIs for 3-5 projects	AHRQ (R24)	TBD Up to \$1million per year for up to 5 years	6/19/12, 12/19/12, 12/19/13, 12/19/14	Joint project under discussion by the CON, COM, and Dr. Duncan.
TBD	Beth Bailey	March of Dimes	Average funding range: \$100,000-\$150,000 per year for 3-year projects	Letter of Intent: March or April 2012; full proposals by request, July or Sept.	General research grant or prematurity research initiative
TBD	Beth Bailey	Gerber Foundation	Maximum total grant: \$300,000 for projects of up to 3 years	Concept paper 6/1 and 12/1 annually; full proposals by request 8/15 and 2/15	Finding solutions to health & nutritional problems of infants and children up to the age of three.
Reducing Birth Outcome Disparities in Appalachia by Addressing Pregnancy Risks	Beth Bailey (Psychology, nursing and OB)	HRSA Maternal and Child Health Bureau	\$804,438 over 3 yrs	September 2012	Will consider resubmitting the unfunded Aug 2009 proposal (score 78).

<b>Grant</b>	<b>PI</b>	<b>Funding Agency</b>	<b>Request</b>	<b>Deadline</b>	<b>Comments</b>
TBD	Forrest Lang	American Cancer Society	TBD	Deadlines: 4/1 and 10/15	On hold.
Understanding Spiritual Influences on Cancer Care in Appalachia and Developing Teaching Modules on the Role of Spirituality in Cancer Care	K. Krishnan (Lang, Tudiver, and Bailey are co-investigators.)	John Templeton Foundation	TBD Breaking New Ground in Science and Religion	Core Funding Priorities 4/16 & 10/15: OFI; 9/4 & 3/1: Invited proposals	Additional 2012 competitions will be posted online.
TBD	Beth Fox	AAFP Foundation	Research Stimulation Grant: \$7,500; Joint Grant Awards Program: up to \$50k, 1-2 yrs	RSG: March 1 and Sept 1 annually JGAP: June 1 and Dec 1 annually	Will meet with Dr. Tudiver and KS to discuss strategy for applying after RDC project has been completed.
TBD	TBD	The Arthur Vining Davis Foundations	\$100,000-\$200,000	Rolling	Medical education project "to advance caring attitudes in patient care." Need to identify a project.
TBD	TBD	McGlothlin Foundation	TBD	April 30 annually	Needs cultivation.
TBD	TBD	Josiah Macy Foundation	TBD	Rolling, 3pp LOI & budget	Education of health professionals. Need to identify a project.
