

BILL GATTON COLLEGE *of* PHARMACY

EAST TENNESSEE STATE UNIVERSITY

PGY2 INTERNAL MEDICINE PHARMACY RESIDENCY PROGRAM

Overview:

The East Tennessee State University Bill Gatton College of Pharmacy is seeking applicants for a PGY2 pharmacy residency in internal medicine. The residency is ASHP-accredited and has a secondary emphasis in academia, which prepares the graduate to excel as a clinical faculty member or clinical specialist with teaching (precepting and/or academic) responsibilities.

Program Description:

The successful applicant will spend a significant portion of time working with full-time internal medicine faculty members as well as with clinical specialists at Johnson City Medical Center, a teaching hospital and Level 1 trauma center affiliated with the East Tennessee State University. Residents are expected to participate in the Department of Family Medicine Transitions of Care Clinic once per week and staff at Johnson City Medical Center one weekend per month.

The successful applicant will also instruct students in didactic, active learning, and experiential settings. The resident will be mentored to independently precept pharmacy students by the end of the residency year.

Required Rotations (8 months): Orientation, Family Medicine, Internal Medicine, Infectious Diseases, Critical Care Medicine, Cardiology, Medicine Precepting, Hospitalist Medicine

Required Longitudinal Rotations: Ambulatory Care (1 afternoon/ week), Clinical staffing

Elective Rotations (4 months): Trauma, Academia, Oncology, Pediatrics, Nutrition, Psychiatry

*Other elective learning experiences may be developed based on resident interest and preceptor availability

Additional Information:

Residents will also complete a research project and medication use evaluation. The program also provides opportunities to hone professional presentation and teaching skills. Residents will also participate on a departmental and/or college committee(s) based on the residents professional goals.

Bill Gatton College of Pharmacy:

The college is located on the Mountain Home Veterans Affairs campus and is part of the Academic Health Sciences Center at ETSU, which also includes colleges of Medicine, Nursing, Public Health, and Clinical and Rehabilitative Health Sciences. ETSU enrolls 14,600+ students and is located in Johnson City, a family-friendly community in beautiful Northeast Tennessee. Additional information about the ETSU College of Pharmacy can be found at: www.etsu.edu/rxpostgrads.

Application:

Qualified applicants should submit their application materials through the online application process (PhORCAS), including a letter of intent, curriculum vitae, and three references. In order for applications to be competitive, please ask references to completely respond to ALL questions on the PhORCAS reference form.
