ELIGIBILITY: ONLY UNDERGRADUATE AND GRADUATE STUDENTS WHO ARE 100% ELIGIBLE FOR POST-9/11 GI BILL (CHAPTER 33) BENEFITS AND ARE REQUIRED TO PAY OUT-OF-STATE TUITION ARE ELIGIBLE. THIS PROGRAM ALSO EXCLUDES COLLEGES OF MEDICINE AND PHARMACY STUDENTS.

- The Yellow Ribbon Program is approved on a first-come first-served basis. Students may receive funds until ETSU exhausts all funds. At this time, ETSU offers unlimited Yellow Ribbon availability.
- Students must have applied to admissions at ETSU before being approved for the program.
- Students must submit their Certificate of Eligibility from the Department of Veterans Affairs showing that they are 100% eligible for the Post-9/11 (Chapter 33) GI Bill before they can be approved. Students must also have remaining entitlement to be eligible for the program.
- ETSU will provide contributions on behalf of the student during the current academic year and all subsequent academic years in which ETSU participates in the Yellow Ribbon Program.
- Student must maintain satisfactory progress, conduct, and attendance according to ETSU standards to remain in the program.
- ETSU agrees to provide the maximum amount of contributions payable toward the unmet established out-of-state charges to each participating individual during each term enrolled. If a student has other sources covering the full amount of out-of-state tuition, he or she will not be eligible for the program. If other sources cover some but not all out-of-state tuition, Yellow Ribbon will only be applied to the remaining amount.

I have read and understand the ETSU Yellow Ribbon rules above and agree to the terms and conditions. I understand that these terms and conditions are subject to change at any time.
