- College of Education Changes – Joel Tramel

Overview of changes to the COE. A handout was distributed noting these changes. If a student wants to switch majors to education must speak to an education advisor to have the changes made. Please contact COE Advising office with any questions.

- Learning Support updates – Polly Crowder

Handout distributed regarding the new learning support requirements for those already enrolled.

If there is a “math only” LS student the permit will be in the system already. Please use GoldLink worksheets. There are no on-line or summer courses offered for LS math at this time. During orientation the “bookmark” will inform the student which office
to go to for assistance. The check-out table at orientation will also be checking to make sure these students have signed up for LS Math.

- Degree Works - Evelyn Roach
  Degree Works is now live www.etsu.edu/reg/degreeworks. Evelyn asks for all advisors and advisees to use the system. If there are any suggestions for improvement to this program, Evelyn asked that you contact her. It is very important that the catalog entries are correct.

ANNOUNCEMENTS:
