<sup>1</sup>See attached 'Admission Criteria and Application Procedure' for additional program requirements and information.

<sup>2</sup>A 'C' or higher is required in all Science, Health Science, and Nursing courses. College of Nursing policy limits the number of attempts for these courses. Consult the ETSU Undergraduate Catalog, or an ETSU College of Nursing Advisor.

For more information, consult with the ETSU College of Nursing at (423) 439-4578 or toll free at 1-888-37-NURSE.

<sup>3</sup>Must be from two different disciplines.

**USING INFORMATION TECHNOLOGY proficiency required,** either by passing a proficiency exam or CSCI 100 completion. See the website <http://www.etsu.edu/uit> for proficiency exam or call (423) 439-6964 for additional information to register.

Transfer students with 50 or more transferable hours are required to take half the intensives requirements two writing, one oral, and one using information technology. You must take these courses at ETSU as transfer credit does not satisfy the intensive requirements. In this articulation agreement, these courses are indicated by: Writing (W), Oral (O), and Using Information Technology (T). NOTE: Intensive courses are built into ETSU program requirements. They are not additional hours.

**CHECK WITH NURSING ADVISOR TO MAKE SURE ALL INTENSIVE REQUIREMENTS ARE MET.**
