

Lynn Whitehead Scholarship

Rising junior or senior

DESCRIPTION:

The scholarship endowment was established by Mr. William G. Lehnert, husband of the late Lynn Elizabeth Whitehead, a faculty member in the ETSU Department of Art & Design from 1989 until her retirement in May 2001. Ms. Whitehead's friends, colleagues, and patrons have also contributed to support the establishment of this endowment in her memory and in appreciation and recognition of her life and artistic work in ceramics.

PURPOSE:

The purpose of the Lynn Elizabeth Whitehead Scholarship is to provide financial assistance to a deserving ETSU student in the Department of Art and Design, based on demonstrated ceramic knowledge, use, and creativity. Each year the committee shall determine the exact value of the award based upon the available operating funds of the endowment in the ETSU foundation.
