East Tennessee State University in conjunction with Gatton College of Pharmacy (GCOP) will offer a guaranteed interview at GCOP for any ETSU undergraduate or post-baccalaureate student who meets the following criteria:

1) The following coursework completed:
   - General Chemistry I and Lab, CHEM 1110/11 4 credit hours
   - General Chemistry II and Lab, CHEM 1120/21 4 credit hours
   - Organic Chemistry I and Lab, CHEM 2010/11 5 credit hours
   - Organic Chemistry II and Lab, CHEM 2020/21 5 credit hours
   - General Biology I and Lab, BIOL 1110/11 4 credit hours
   - General Biology II and Lab, BIOL 1120/21 or complete one of the following: 4-8 credit hours
     - Cell Biology, BIOL 3150/51
     - Anatomy & Physiology I and II, HSCI 2010/21 and 2020/21
     - Human Physiology, HSCI 3020
   - Microbiology, HSCI 2230/31 4 credit hours
   - Physics I and Lab, PHYS 2010/11 4 credit hours
   - Probability and Statistics, MATH 1530 3 credit hours
   - Calculus I, MATH1910 4 credit hours
   - English Composition, ENGL 1010 and ENGL 1020 6 credit hours
   - Speech, SPCH 1300, 2300 or 2320 3 credit hours
   - Economics, ECON 2210 or 2220 3 credit hours
   - Social and Behavioral Sciences 9 credit hours

2) All math and science prerequisites taken at ETSU.
3) Overall GPA of 3.0 (including all attempts).
4) Biology, Chemistry, Physics, and Math (BCPM) prerequisite GPA of 3.0 in (including all attempts).
5) PCAT composite score of 60 with no individual score less than 35. PCAT must be taken within three years of application deadline.
6) Program is limited to full-time ETSU students who began their undergraduate careers at ETSU – the following courses may be accepted if completed under dual-enrollment and/or Advanced Placement (AP) programs in high school: composition, oral communication, additional writing or oral communication, economics, social/behavioral science and/or humanities coursework.
7) Post-baccalaureate students may be eligible for consideration if all undergraduate work was completed at ETSU with the exception of the dual enrollment and AP program coursework listed above.
8) Transfer students will not be eligible for the PPP Program.

Students are required to complete the PharmCAS application to be interviewed.

ETSU encourages all students to prepare for completion of a baccalaureate degree prior to application to Gatton College of Pharmacy due to competitiveness of the application process.
