HOUSING OPTIONS FOR RESIDENTIAL STUDENTS
Piano Camp offers two options for students who wish to live on campus during the duration of camp: students may come with a parent/guardian, who will stay with them in the dormitory; or they may come on their own, and will be supervised by Piano Camp counselors. Housing rates will be based on double occupancy.

All residential students will stay in Centennial Hall on the ETSU campus. The 2-bedroom, apartment-style accommodations feature a living room, kitchenette, and private bathroom. For more information on Centennial Hall, visit http://www.etsu.edu/students/housing/prospectivestudents/viewhalls/centennial.aspx.
SUPervision
All commuter and residential students will be under the careful supervision of the Piano Camp staff, and will be closely monitored during all aspects of camp life.

Health Care
In the event of an illness or injury to a student at camp, the staff will escort that student to a local walk-in health clinic or hospital emergency room for prompt, professional medical care. Costs resulting from a doctor visit, prescription medication, x-rays, lab work, or hospital treatment are the responsibility of the parent/guardian.
