- Teachers will not be considered candidates for add-on endorsements until a record is begun with the certification officer, beginning with the *Declaration of Intent to Pursue Additional Teaching Endorsement*. The forms may be printed from the COE website: <http://coe.etsu.edu/students/forms/index.htm> or picked up at the Office of Education Student Services: Room 321, Warf-Pickel Bldg.
- All substitution requests and approvals must be routed through the certification officer in the College of Education. See reverse side for more about exceptions and substitutions.
- Teacher education students who are pursuing initial teaching license and wish to add credits toward an add-on endorsement may do so. Please be advised, however, add-on programs do not necessarily meet the requirements of a minor and substitutions or approvals made for teaching add-ons do not take the place of catalog requirements or departmental advisement for degree purposes.
- Courses counted toward an add-on must have a minimum grade of "C-" or equivalent unless otherwise stated in this program sheet.
- Add-ons will not be verified unless all requirements for initial Tennessee teaching license are met.
- When the teacher has met the process specifications above, and qualifying Praxis II exams, he/she will be eligible to add the new teaching endorsement to the existing Tennessee license. To obtain the necessary verification of completed process:

Have qualifying Praxis II score reports submitted to ETSU College of Education, Recipient code #1198. The score reports must come directly from the Educational Testing Service to the College of Education. Copies of the examinee's score report will not be accepted.

The candidate must submit to the Certification Officer in the College of Education the appropriate application for amendment to licensure with official transcripts of all college credit.

Praxis II information and Application for Amendment to Licensure are available in Room 321 Warf-Pickel Bldg.
