- Teacher education students who are pursuing initial teaching license and wish to add credits toward an add-on endorsement may do so. Please be advised: An add-on program does not necessarily meet the requirements of a minor and substitutions or approvals made for teaching add-ons do not take the place of catalog requirements or departmental advisement for degree purposes.

- Add-ons will not be verified unless all requirements for initial Tennessee teaching license are met.
- Praxis II Subject Area tests are required for add-ons. Request current Praxis II information for Tennessee in Room 321 Warf-Pickel Bldg. When registering for the tests, be sure to designate East Tennessee State University, Recipient Code 1198, to receive a copy of your score report. Examinee's copies are not accepted by the Office of Teacher Licensing for official verification.
- The *Application for Tennessee Teaching License or Amendment to Licensure* is available in Room 321 Warf-Pickel. The candidate will complete Part I of the form, attach up to date transcripts showing all completed coursework relevant to the add-on and return to Ms. Murray for processing.
