EDUCATION:

Ph.D. Counseling Psychology 1992
Indiana State University, Terre Haute, IN
Program fully APA approved

M.A. Clinical Psychology 1976
Western Kentucky University
Bowling Green, KY

B.A. Psychology 1974
Virginia Polytechnic Institute and State University
Blacksburg, VA

CURRENT STATUS:

Associate professor and Program Coordinator of the Counseling Program in the Department of Human Development and Learning at East Tennessee State University teaching courses in agency counseling primarily. Joined the faculty in 1992 and received tenure and promotion to Associate Professor in 1997.

EMPLOYMENT IN EDUCATION:

Assistant Professor of Counseling: 8/92 - Present

East Tennessee State University, Johnson City, TN.

Associate professor and Counseling Program Coordinator in the Department of Human Development and Learning at East Tennessee State University teaching graduate level courses in agency counseling. Courses taught include: Counseling I (HDAL 5550), Counseling in Community Agencies (HDAL 5250), Legal and Ethical Issues in Counseling (HDAL 5430), Supervision of Practicum (HDAL 5570), Internship (HDAL 5880), Human Relations and Group Processes (HDAL 5100), Methods of Research and Statistics (HDAL 5950), Systems of Personality (5957), and an Independent Study - Introduction to Hypnosis (HDAL 5900).

EMPLOYMENT IN EDUCATION: (continued)

Stress Management Consultant: 1/90-8/91

Union Hospital, Terre Haute, IN.

Designed and taught stress management classes for a broad spectrum of adults. Taught basics for understanding the physiological response patterns along with relaxation, cognitive restructuring, assertiveness, and time management.

Statistics Instructor: Fall, 1990

Fellowship at Indiana State University, Terre Haute, IN.

Taught undergraduate statistics course: Introduction to Applied Statistics (EPSY 302). Also tutored graduate students in statistics.

Statistics Consultant: Summer, 1990

Contracted with education administration doctoral candidates.

Designed and taught a 12 hour seminar which prepared these doctoral students for statistics proficiency allowing them to by-pass traditionally taken advanced statistics course.

Techniques Lab Instructor: Summers, 1990 & 1991

Fellowship at Indiana State University, Terre Haute, IN.

Taught laboratory section of Techniques of Counseling (COUN 533) course for master's level students. Included role-plays, group exercises and discussions, self and other critiques, written and oral evaluations.

Career and Life Planning Instructor: Fall-Spring, 1988-1989

Fellowship at Indiana State University, Terre Haute, IN.

Taught and helped design Career and Life Planning (COUN 135), an undergraduate course for students desiring in-depth career exploration and study. Work included administration and interpretation of SVIB-SCII, SDS, MBTI, as well as group exercises and discussions on career choice.

Psychology Instructor: Summer 1978 and Fall 1986-Summer 1988

Full-time faculty member Western Kentucky University, Bowling Green, KY.

Taught Introduction to Psychology (PSY 100) and Personal Adjustment & Mental Hygiene (PSY 250). Teaching load consisted of four courses per semester plus summers. Class sizes ranged from 20 to 150 students.

Continuing Education Instructor: 1984-1988

Western Kentucky University, Bowling Green, KY.

Created and taught three eight-hour seminars: Introduction to the Stock Market, Introduction to Technical Analysis of the Stock Market, and Introduction to Personal Computers.

EMPLOYMENT IN EDUCATION: (continued)

Psychology Instructor: 1985-1986
Bowling Green Junior College, Bowling Green, KY.
Taught Introduction to Psychology (PSY 100) and Marriage & Family (PSY 153).

COUNSELING and PROFESSIONAL EXPERIENCE:

Psychology Intern: 10/91-9/92
Luton Mental Health Consortium, Nashville, TN. APA approved.
Providing community mental health services to a case load of over 20 clients as well as psychological services to an acute treatment facility at Middle Tennessee Mental Health Institute. Duties include individual therapy, treatment team participation, assessments, group work, and competency training. Experience includes work with depression, sexual abuse, physical and emotional abuse, adolescent adjustment problems, personality disorders, suicide, divorce and relationship issues, anxiety, alcohol and drug, compulsive behaviors, schizophrenia, and delusional disorders.

"Smoke Stoppers" Consultant: 10/90-8/91
Union Hospital, Terre Haute, IN.
Conducted 8-session "Smoke Stoppers" groups. Involved many behavioral and cognitive techniques (reinforcement, aversion conditioning, affirmations, etc.) and hypnosis.

Counselor: Spring, 1991
Fellowship at Indiana State University Counseling Center.
Provided weekly counseling to college students. Client problems included depression, grieving, sexual abuse, anxiety, relationship issues, and rape.

Counselor: Fall, 1990
Practicum at St. Mary of the Woods College, Terre Haute, IN.
Provided weekly counseling to college females. Client problems included depression, physical and emotional abuse, relationship issues, grieving, and career counseling.

Counselor: Fall, 1989
Practicum at Gibault School for Boys, Terre Haute, IN.
Provided weekly counseling to adolescent male sex offenders who had often been abused themselves.

"HELP" Line Counselor: 1985-1988
Barren River Mental Health Center, Bowling Green, KY.
Part-time crisis intervention help-line employee.

COUNSELING and PROFESSIONAL EXPERIENCE: (continued)

Staff Counselor: 1976-1978

Western Kentucky University Counseling Services Center,
Bowling Green, KY.

Primary duties were individual and group counseling of college students with a wide array of problems. This work also included vocational and academic concerns involving test interpretations, particularly the Strong-Campbell Interest Inventory and the Edwards Personal Preference Schedule.

Counselor: 1975-1976

Graduate assistant at Western Kentucky University Counseling
Services Center, Bowling Green, KY.

Duties included personal, academic, vocational, and group counseling. Provided exposure to many clients mostly involving personal counseling but also developed skills at test interpretation, especially the Strong-Campbell and the Edwards Personal Preference Schedule.

Inmate Counselor: 1974

Virginia State Penitentiary, Richmond, VA.

Counselor in a contingency management program that was designed to prepare and select maximum security inmates for movement to the general prison population. Duties included assessment and counseling of inmates, data analysis, and program evaluation and design.

GRANT and FUNDED ACTIVITY:

For the Families First grant project funded by the Tennessee Department of Human Services and administered through the Sociology and Anthropology departments, Tom Headly and I wrote, directed, edited, participated in, etc. a training video entitled Overcoming Roadblocks to Change: The Five Steps to Effective Group Facilitation (listed under publications) which was used to train Families First supervisors throughout the state. I also wrote a training manual to accompany the video. In addition, I made two presentations (6/12/97, Knoxville and 6/26/97, Nashville) which presented the ideas in the video to trainers from across the state as well as Families First state administrators.

Instructor for JOBSWORK grant project which is administered through the Sociology and Anthropology departments and provides matching funds to university and department.

Mitchell, C. W. (2002). President's Grant-in-Aid. Travel and tuition funds received for attending seminar entitled Helping Difficult and Challenging Clients. \$139.00 pending.

Mitchell, C. W. (1995). President's Grant-in-Aid. Travel and tuition funds received for attending seminar by David Burns on cognitive therapy. \$300.00 approved and funded.

Mitchell, C. W. (1995). Research Development Committee funding received for publication of article entitled "Effects of subliminally presented auditory suggestions of itching on scratching behavior." \$450.00 approved and funded.

Mitchell, C. W. (1994). President's Grant-in-Aid. Travel and tuition funds received for attending Institute for Behavioral Healthcare seminar on DSM-IV updates and training. \$325.00 approved and funded.
