**Your two methods courses will be determined based on which licensure areas you chose. Middle Grades Teacher Candidates must be licensed in two content areas, at least one of which must be math or science. Your content pair options are listed below. Remember that you must pass the middle grades Praxis II content knowledge exams for BOTH licensure areas you select before your Residency II (Spring) semester, and you must select your content areas prior to completing Residency paperwork.**

- ✓ Math and Science
- ✓ Math and Social Studies
- ✓ Math and English/Language Arts
- ✓ Science and Social studies
- ✓ Science and English/Language Arts
