Entrance and Exit Requirements:

- To begin the add-on, complete the Declaration of Intent to Pursue Additional Teaching Endorsements.
- Any substitution requests in add-on programs must be routed through the certification officer. Contact Ms. Murray for Substitution Request forms.
- Teacher education students who are pursuing initial teaching license and wish to add credits toward an add-on endorsement may do so. Please be advised: An add-on program does not necessarily meet the requirements of a minor and substitutions or approvals made for teaching add-ons do not take the place of catalog requirements or departmental advisement for degree purposes.
- Courses counted toward an add-on must have a minimum grade of "C-" or equivalent unless otherwise stated in this program sheet.
- Add-ons will not be verified unless all requirements for initial Tennessee teaching license are met.
- Praxis II Subject Area tests are required for add-ons. Request current Praxis II information for Tennessee in Room 321 Warf-Pickel Bldg. When registering for the tests, be sure to designate East Tennessee State University, Recipient Code 1198, to receive a copy of your score report. Examinee’s copies are not accepted by the Office of Teacher Licensing for official verification. You should also designate a score report to be sent to Tennessee Dept. of Education, Recipient Code 8190.
- The Application for Additional Endorsement is available on the Tennessee Educator Licensing website: http://www.tn.gov/education/licensing/index.shtml. The candidate will complete page 1 of the form, attach up to date transcripts showing all completed coursework relevant to the add-on and return them to Ms. Murray for the college recommendation and forwarding of documents to the state licensing office.
