The Payton and Angela Ward Pruett Public Health Scholarship Endowment Application

Criteria

The committee shall consider the following criteria in awarding scholarships.

Each applicant must:

1. Be either an undergraduate or graduate public health student with an interest in environmental health sciences;

2. Have demonstrated financial need;

3. Have a minimum 3.2 grade point average (on a 4.0 scale) or other significant accomplishment; and

4. Participate in at least one professional student organization.

Applicants

Applications should be submitted to the Department of Environmental Health Scholarship Committee by 15 February of each year.

Selection

Scholarships shall be awarded by the College of Public Health Student Scholarship Awards Committee. That committee shall decide the number of scholarships and the value of each, depending on the funds available. The scholarship may be renewed annually, if the student continues to meet criteria. The scholarship will go to the most deserving student each year, with previous winners being eligible for the award.
