Do you need support organizing your academic literature?

RefWorks can help!

RefWorks is a web-based tool that will help you manage, store and share all types of information.

It helps to generate citations and bibliographies for your papers, thesis, dissertation and capstone project.

How to get started:

1. Go to http://sherrod.etsu.edu/tools/refworks.html
2. Create a RefWorks Account
3. Complete the Refworks Tutorials
   OR
   Arrange for an instruction session using RefWorks.
