

East Tennessee State University's Graduate and Professional Student Association (GPSA) is an official member of the National Association of Graduate and Professional Students (NAGPS). Because of our national affiliation, student members of GPSA, as well as their dependents, are eligible for enrollment in a Health Insurance Plan. This insurance plan is offered by United Health Care (UHC) and the information about the plan is listed below.

ETSU also offers a Health Insurance Plan that is provided by GM Southwest. The information for this plan is also listed below.
