

SURVEY OF EARNED DOCTORATES (SED) WEB REGISTRATION

The Survey of Earned Doctorates is pleased to introduce our new electronic registration process. Research doctorate recipients will now be able to register directly via the web and instantaneously receive a PIN and password as well as the URL to the survey. With this information, you can access and complete the survey all on-line.

If your institution asks for verification of completion, you will have two options at the end of the questionnaire. The first is an e-mail notification screen, where you may enter up to two e-mail addresses where you would like the notification of completion to be sent. You may then forward this notification onto your graduate school.* After the e-mail screen, you will advance to the certificate of completion. You may print this certificate and keep it for your records or turn it in to your institution.

*PLEASE e-mail your notification of completion to etd@etsu.edu
