ACKNOWLEDGEMENT OF RECEIPT AND UNDERSTANDING REASONABLE SUSPICION DRUG TESTING FOR CHILD CARE WORKERS

I,, certify that I have
received a copy of and have read East Tennessee State University's policy on Reasonable Suspicion Drug
Testing for Child Care Workers. I have had the policy explained to me and I have had the opportunity to
ask questions about it. I understand that, as identified by my supervisor, if my performance indicates
that there is reasonable suspicion to believe that I am using or am under the influence of illegal drugs, I
must submit to a urine drug test. I also understand that refusal to submit to a drug test, failure to
provide adequate urine for testing without a valid medical explanation, or a positive result following a
drug test subjects me to immediate disciplinary action up to and including termination.
