Vendor Showcase. With 95 institutions of higher education in the state of Tennessee, this showcase provides an excellent opportunity to reach colleges and universities that are outside the regular circles of contact. The cost of one table is \$100. That cost includes one registration, supper 9/30, lunch 10/1 and all breaks.

Typically, companies provide a “**door prize**” for participants to register for, but this is by no means required. Registering for the door prize enables vendors to add to their list of contacts of higher education HR professionals.
