*If you are identified by the East Tennessee State University's Office of Admissions as needing Developmental coursework, you will be advised by counselors in Developmental Studies and by advisors in the College of Nursing.

**Math 1530 must be completed prior to earning 33 semester hours at ETSU.

A "C" (2.0) or higher is required in all science, health science, and nursing courses. College of Nursing policy limits the number of science and health science attempts. Consult the University [Undergraduate Catalog](#) or consult with a College of Nursing advisor.

#Selected students may take these courses in a rural, interdisciplinary setting.

East Tennessee State University is fully in accord with the belief that educational and employment opportunities should be available to all persons without regard to age, sex, color, race, religion, national origin, disability, veteran status, or sexual orientation.
