Kingsport Course Offerings and Important Registration Considerations
Summer Semester 2013

For Summer semester, 2013, the following courses will be available at the ETSU Kingsport, TN classroom site for graduate credit in Nursing:

NRSE 5000, Conceptual Systems for Advanced Practice, 2 cr.
   Blended on-ground/on-line course. Tuesday 5:30 – 8:30 PM. Will meet on May 14 and every two weeks thereafter in Kingsport. Alternate weeks are online.

NRSE 5016, Advanced Pathophysiology, 3 cr.
   Blended on-ground/on-line course. Tuesday 5:30-8:30 PM. Will meet 5/14, 5/28, 6/11, 6/25, 7/9 and 7/23 in Kingsport. All other weeks are online.

NRSE 5018, Advanced Clinical Pharmacology, 3 cr.
   Pre-requisite: NRSE 5016. Blended on-ground/on-line course. Tuesdays 5:30-8:30 PM. Will meet 5/21, 6/4, 6/18, 7/2, 7/16 and 7/30 in Kingsport. All other weeks are online.

Registration is open to admitted CON graduate students and to select non-degree applicants.

On-ground class sessions meet at the Regional Center for Applied Technology, RCAT 134, located at 222 Main Street, Downtown Kingsport.

Important Information for Non-Degree Applicants:
- Formal application must be made online or using the electronic application form. Non-Degree Applicant information is available at: http://www.etsu.edu/gradstud/ApplyNow.aspx?type=UDEG.
- A $35.00 application fee (non-refundable) and official transcripts showing graduation with the BSN are required.
- While ETSU’s minimum undergraduate GPA for admission as a non-degree seeking graduate student is 2.5, the minimum undergraduate GPA for
consideration for admission into a Nursing graduate degree program is 3.0. Please keep this in mind as you make your plans for applying for admission.

- ETSU and the College of Nursing cannot guarantee graduate program admission to students taking courses as non-degree students. All standard degree program application and admission criteria are used at the time of application to a Nursing graduate degree program.
- Students taking ETSU graduate courses prior to admission to a graduate degree program relinquish their eligibility for Out-of-State or Tuition scholarships, for all graduate courses taken at any time in the future.
- Courses taken as a non-degree student are considered in any future application to an ETSU graduate nursing program and are limited to 9 credits for transfer into a graduate degree program.
- Only courses in which a grade of “B” or better has been earned can be transferred into a graduate degree program (“B-“ grades do not transfer).

Questions? Please contact Ms. Amy Bower, Office of Student Services, bowera@etsu.edu, or Dr. Kathleen Rayman, Graduate Programs Director, raymank@etsu.edu
