

College of Nursing Faculty
Research Proposal Signature Form

**Center for Nursing Research
Research Dissemination Request Form**

The Center for Nursing Research supports research produced by faculty members on an as-available basis. Faculty may apply one time each fiscal year to the Center for Nursing Research for funds up to \$1500. The number of awards will depend upon the yearly availability of funds. Proposals that meet the criteria will be approved as they are received until the funds are expended. Proposals may be submitted at any time of year. Written materials required for a proposal to be considered can be found at:
http://www.etsu.edu/nursing/conpages/research/08research_internal_funds.pdf.

The criteria for selection are:

1. appropriate design, methodology, and analysis
2. realistic, well-justified budget
3. consistent with the mission and goals of the College
4. description of site of data collection
5. project can be accomplished within established time frame
6. high potential for external funding after study completed
7. high potential for scholarly publication/presentation
