AccessPharmacy: On-campus access is available without a username or password at http://accesspharmacy.com/. Off-campus access is available with your ETSU login and password at the Medical Library site (http://www.etsu.edu/medlib/) – click “Databases” under “Resources”.

In order to access AccessPharmacy remotely, you will need to generate an account. Please follow these directions to create your AccessPharmacy account:

1. From on-campus, login to AccessPharmacy at: http://accesspharmacy.mhmedical.com/ and make sure you see “Access provided by East Tennessee State University” in the top right corner. Click the drop down menu in the top right and select login or create a personal account.

2. Click on Create Free Personal Account.

3. Create a personal account using your ETSU assigned email address. Remember this Username and Password as it may be different from your ETSU assigned one.

4. Be sure to now login to AccessPharmacy while on campus. You will see your name and East Tennessee State University listed in the drop down menu at the top. Make sure you see your name listed alongside East Tennessee State University. If you see this, then your account is now authenticated for off-campus use.

5. From off-campus, you will be able to go to www.accesspharmacy.com and use your username and password to access the resource directly.

PharmacyLibrary: On-campus access is available without a username or password at http://pharmacylibrary.com/index. Off-campus access is available with your ETSU login and password at the Medical Library site (http://www.etsu.edu/medlib/) – click “Databases” under “Resources”.
