The polices can be found on the internet at East Tennessee State University, from the Human Resource home page using Personnel Policies and Procedures and they are PPP-63 Reduction-in-Force of Non-Tenured Employees and PPP-64 Implementation of Modified Fiscal Year Appointments. Please read both policies and if you see something that needs changed please give us a call. The final report is due to TBR this week, Developmental Studies department will be cut and 93 positions has been effected with 27-30 jobs at high risk for RIF, and 24 positions for reassignment to crucial vacancies (these are made by the Human Resource Office). All of these suggestions are subject to TBR's approval. Also we have eleven (11) Modified Fiscal Year (MODFY) appointment positions. A MODFY appointment is an alternative employment base for University non-academic personnel. Appointments of 9, 10 or 11 months based upon workload and the fluctuations in the academic calendar. No annual and/or sick leave will accrue during off months.
