Welcome Back from Spring Break 2009!

Have You Been Advised?

Alpha Sigma Lambda (ASL)

ASL, The Premier National Honor Society for Nontraditional Adult Students will induct over fifty new members on the evening of April 3, 2009. Congratulations to these students. They represent the top 10% of adult students at colleges and universities across the United States. Invitation to membership in ASL is sent to eligible students each spring.

Did You Get Your grades?

Early Semester Progress Reports (ESPR) have been posted to GoldLink. You can view your report by logging into GoldLink and clicking on Early Semester Progress Report. This is a good way to see where you stand, academically, at this point in the semester. Contact your academic advisor if you have questions about the ESPR.

Thought About Summer School? There are many interesting courses to take this summer. Check out the options at www.etsu.edu/summer. If you plan on attending summer school, please seek counseling from the Office of Financial Aid as soon as possible to see if you are eligible for aid. You can earn credits at a faster pace in summer school at ETSU.
