New Calendar at ETSU

ETSU is now offering an attractive and interactive online calendar of events that encourages you to download events to your personal calendar, sign up for event notifications and send event information to friends.

You can view calendar events in multiple formats: Grid, Location List View, Category List View and Date/Time List View. Each view provides a fast snapshot of events!

Additionally, you can utilize friendly calendar features to keep you connected to events at ETSU or to receive timely updates from the ETSU calendar by subscribing to categories or establishing RSS feeds. You can download events to your personal calendar and sign up for "Notify Me" where you enter your email address to be notified of event changes, cancellations, reschedules and announcements.

"Email a Friend" functionality is included and allows you to help get the word out by sending event details to others.
