Welcome to a New Dining Experience!

Anytime Dining is Coming to ETSU for Fall 2016!

Anytime Dining is a dynamic, flexible, and affordable dining program designed to provide students with all-inclusive, well-balanced, and nutritious dining options. The implementation of Anytime Dining is in response to feedback from current students who have used the traditional-style dining service program.

The ability to dine together seven days a week can directly impact students' residential and collegiate experiences. This is especially true for the ‘freshmen experience,’ which is that bonding time when first-year students are eating together in campus residence halls and dining venues where freshmen build, not only, friendships with each other, but also tighter bonds with the university. In addition, research has shown that retention and graduation rates (not to mention strong alumni programs) are often directly affected by this type of meaningful program.

Benefits of having a PLAN:

• A prepaid plan ensures access to well-balanced, nutritious, and convenient meals throughout the semester.
• You can save time and money which allows more time for study, work, and play!
• Five- or seven-day access with extended hours makes your meals work with your schedule. Come back as many times as you like!
• No dishes to do, no prep, and no mess to clean up. Just make your plate, eat, and go!
• The variety of options and menu offerings will fit your needs.
• Meal plans are easy to use. You just need your student ID.

The PLAN that fits your needs:

Incoming first-year students (30 earned credit hours or less) who live on campus, except those living in the Buccaneer Ridge Apartments, will be automatically enrolled in the Anytime 7 Day Silver Plan, but may upgrade to the Gold or Platinum plan only. All other residential and commuter students may choose from any of the Anytime 7 Day Plans or the Anytime 5 Day Plan.
