County Health Rankings & Roadmaps is a collaboration between the Robert Wood Johnson Foundation and the University of Wisconsin Population Health Institute.

This event will showcase a model program that positively impacts inmates, families, government, industry and the community. Partners include the Greene County Sheriff’s Department, Greeneville City Schools Adult Basic Education, DTR of Tennessee, ASG, LLC and Tennessee Department of Labor & Workforce Development.

Target audience includes law enforcement, county and city officials, adult educators, criminal justice officials, corrections officers, and advocacy groups.

This project is funded by the County Health Rankings & Roadmaps project and sponsored by the Tennessee Institute of Public Health and the East Tennessee State University College of Public Health.
