Clemmer College of Education Scholarship Application Procedure
The Clemmer College of Education supports students with scholarship awards! Scholarship applicants must be accepted to ETSU and/or be currently enrolled at ETSU in order to apply for CCOE scholarships. A description of each scholarship is available on the Scholarship Information page, http://www.etsu.edu/coe/coescholarship.php

Students applying for scholarships MUST complete a Free Application for Federal Student Aid (FAFSA). This form will be available at www.fafsa.gov between January 1, 2016 and June 30, 2016. Please be aware that receiving a scholarship from the Clemmer College of Education may impact your overall financial aid package.
