The East Tennessee State University Bill Gatton College of Pharmacy requires all students to carry and maintain health insurance while enrolled. Students must purchase health insurance through the university unless they provide proof of comparable insurance through an outside provider.

Currently, the university insurance program offers students coverage through AIG. For information on the schedule of benefits associated with the policy, please see the brochure at the AIG student website: [www.studentinsurance.com](http://www.studentinsurance.com). Students may choose to cover a spouse and/or children under the same plan at an additional cost (see below). Please note that premiums are based on the age of the student. Optional dental, catastrophic, and medical repatriation/medical evacuation/travel assistance coverage is also available for an additional charge.

The university health insurance coverage charge will be automatically reflected on your College of Pharmacy fee bill, unless you opt out by submitting proof of private coverage. **Please note:** If you wish to purchase optional or dependent coverage, you may do so once you are enrolled with AIG. These charges cannot be applied to your fee bill. You will be able to perform these optional and dependent enrollments online in your account at [www.studentinsurance.com](http://www.studentinsurance.com).

Students who are covered under a private health insurance policy will need to complete the private health insurance verification section of this form. A copy of the front and back of your insurance card will also need to be sent along with this form.

Please mail, fax or scan/email the completed form to:

Please submit any change to your insurance information no later than **June 13, 2014**. All students who have not submitted proof of private insurance coverage will be automatically enrolled in the University’s student health insurance plan effective August 1, 2014.

The Bill Gatton College of Pharmacy and East Tennessee State University does not control the student insurance program. Benefits, premiums, and conditions are established by the Tennessee Board of Regents and are subject to annual change. If you have any questions, contact the Office of Student Affairs at (423) 439-6338.
