Half-Graduate Assistantship and Additional Employment Authorization Form

International students receiving a half graduate assistantship have a service obligation of 150 hours per semester; an average of 10 hours per week. These 150 hours are worked to meet the requirements of the half graduate assistantship.

Students who sign and complete this form can be authorized to work elsewhere on-campus for a maximum of 10 additional hours per week while classes are in session. Students **cannot** work more than 20 hours per week across all employment positions. This form must be signed by all individuals before authorization will be granted.

Acknowledgements

I understand that I cannot work more than 20 hours per week across all employment positions when classes are in session. Since I have a half graduate assistantship that counts as 10 hours, I cannot work more than 10 hours each week in another position.

I understand that my SEVIS record would be terminated if I violate this federal regulation.
