Authorization of Federal Aid, Prior Balances, and 1098T- Tuition Statement

Federal regulations require you to provide written authorization if you want financial aid to pay prior term balances or non-educational charges e.g., parking tickets, electricity charges, etc.

By completing this form, you are designating which charges can be paid with federal financial aid at ETSU. Although you may never have these charges while enrolled at ETSU, completion of this form will allow ETSU to have your authorization on file.

- If you want ETSU to use your financial aid to pay all charges (i.e., current educational, non-educational, and prior year balances), mark the following box. This means your aid will post to your acct. then you will receive a fin. aid refund.

(recommended)

(YES) I voluntarily authorize ETSU to credit all federal aid to my student account to pay current educational and non-educational charges as well as prior term balances.

- In accordance with our Go Green initiatives, 1098-T tuition IRS tax statements are securely emailed to ETSU pharmacy students via their Goldmail address. In addition, you can obtain an IRS printable version through GoldLink/Tax Documents.

(YES) I voluntarily consent to receive my 1098T – Tuition Statement in electronic format via my ETSU e-mail.

(NO) I elect to “opt-out” of electronic delivery and receive a paper version of my 1098T mailed to my Mailing Address.

- I understand this authorization will remain on file and valid while enrolled at ETSU. I understand that I can cancel this authorization, in writing, at any time.
