President
East Tennessee State University

Dear graduates,

Today represents a milestone event in your life, for it is the culmination of your hard work and dedication over the past several years. It also represents the beginning of a new journey in your life. Whether that journey leads you back to campus to further your education, or into the workforce to put your skills to the test, it has been enhanced by your experience at ETSU.

Today, I encourage you to take a moment to reflect upon the experiences that brought you to this commencement ceremony. Undoubtedly, your own efforts have helped propel you onto this stage. The efforts and support of your family and loved ones, many of whom are with us today to celebrate your success, also played a key role in making today's celebration possible. In all of the excitement that is graduation day, please do not forget to tell those individuals "thank you" for all that they have done and continue to do to support your endeavors.

I also encourage you to show your appreciation to the faculty and staff who helped you achieve your degree. We are proud of your accomplishments and look forward to hearing where your footprints lead in the coming years. Be sure to stay connected with ETSU and our National Alumni Association. Additionally, I hope that you can return to campus to take in a performance, attend homecoming, or just walk through our beautiful grounds.

Finally, as you realize this dream of a college degree, I ask that you always share with others the importance of higher education. It is through the power of higher education that we can make the biggest difference in our own lives, our communities, and the world.

Congratulations on this outstanding accomplishment. Godspeed and go Bucs!

A handwritten signature in black ink, appearing to read "B. Noland". The signature is fluid and cursive, with a long horizontal stroke at the end.

Dr. Bethany H. Flora

Associate Professor, East Tennessee State University
Department of Educational Leadership and Policy Analysis

On January 2, 2019, Dr. Bethany H. Flora will become the new President of Northeast State Community College in Blountville, Tennessee. Her appointment to the position, by the Tennessee Board of Regents on November 13 of this year, was unanimous.

Dr. Flora joined the faculty of East Tennessee State University in 2011, after serving for four years as Assistant Provost at Virginia Polytechnic Institute and State University, where she also earned her Ph.D. in Educational Leadership and Policy Studies and Higher Education Administration in 2008. From 2004 to 2007, she worked as Director of Graduate Recruitment and Retention at Radford University in Virginia.

Before enrolling in the doctoral program at Virginia Tech, Dr. Flora completed a Bachelor of Arts degree in Business and Public Administration in 1996 at The University of Virginia's College at Wise and three years later a Master of Arts degree in Organizational Management from what is now Tusculum University in Greeneville, Tennessee.

Prior to entering higher education administration, Dr. Flora worked for four years as Production Control Specialist with Ball Corporation, a Fortune 500 manufacturing company, where she was responsible for inventory control and production scheduling on all the company's manufacturing lines.

In addition to being a tenured Associate Professor in Postsecondary and Private Sector Leadership through ETSU's Department of Educational Leadership and Policy Analysis, Dr. Flora has helped guide our university's Center for Community College Leadership as Associate Director.

Dr. Flora is a frequent presence on the commencement stage at ETSU, hooding the many students who have completed doctoral degrees under her tutelage. In her time at ETSU, she has supervised the research of more than 30 doctoral students. Their dissertation topics include the impact of the Tennessee Promise program on college choice; student retention and first-year programs in the region's liberal arts colleges; mental health services in a rural county school system; and graduation rates among African American and Hispanic students in Tennessee's community colleges.

Among her many professional activities beyond the classroom, Dr. Flora has served as Associate Editor of the *International Journal of Teaching and Learning in Higher Education*, as a member of the Regional Finance and Audit Committee for the Association for Continuing Higher Education, and as Manuscript Reviewer for the *Journal of College Student Retention*. She is co-author of the book *Case Studies in Educational Technology Applications: Learning, Standards, Policy, Ethics, Research and Leadership*.

In 2015, Dr. Flora was selected as one of the inaugural Presidential Fellows at ETSU. As she assumes the presidency of Northeast State next month, she returns to the place where she began her career in higher education administration in 2002.

The Honorable Bob Corker

United States Senator for Tennessee
Chairman, Foreign Relations Committee

In 2012, Tennesseans overwhelmingly elected Bob Corker to his second term in the U.S. Senate, where he serves as chairman of the Foreign Relations Committee and is an active member of the Banking Committee and the Budget Committee.

Bob was Tennessee's commissioner of finance and mayor of Chattanooga before being elected to the Senate in 2006, but he spent most of his life in business.

At the age of 25, Bob started his own construction company with \$8,000 in savings, eventually expanding operations to 18 states across the country.

It's that results-driven businessman's perspective that allowed him to make a mark early in his Senate tenure and become a pragmatic thought leader on fiscal and financial issues.

Bob quickly rose to prominence on the Banking Committee, where he became known for his no-nonsense, tough questioning of witnesses during the auto industry bailout and 2008 financial crisis. Bob also is a key voice in Congress on housing finance reform. A bipartisan bill he coauthored in 2013 has been called the "blueprint" for how our nation's housing finance system should look in the future.

A key leader on our nation's fiscal challenges, Bob is one of the few members of Congress to put pen to paper and produce a bill that would set our country on a path to fiscal solvency. As one of the most fiscally conservative members of Congress, he continues to fight against Washington's all too common practice of "generational theft."

Recognizing the important impact U.S. leadership and diplomacy abroad can have on our economy and national security, Bob also is an active leader on the Foreign Relations Committee. Since taking office in 2007, he has visited more than 70 countries to gain a deeper understanding of the strategic relationships between the U.S. and other nations, and in 2015, his colleagues elected him chairman. As the lead Republican on the committee, Corker works with his colleagues to set the committee agenda and help carry out legislative and oversight responsibilities.

Bob graduated from the University of Tennessee in 1974 with a degree in Industrial Management. He and his wife of 31 years, Elizabeth, live in Chattanooga. They have two daughters, Emily Corker, Julia and her husband Justin Spickard, and two grandchildren.

Academic Regalia

The three academic degrees generally recognized are the bachelor's, the master's, and the doctor's. The name of each degree seems to have been determined by medieval university custom. The bachelor's degree, the baccalaureate, takes its name directly from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach, and sometimes was followed by the express words *Licentia Docendi*. The doctor's degree was originally a title of respect and a recognition of great learning. Today the doctor's degree indicates advanced study and independent research in a specialized field of learning, whereas honorary degrees are granted for meritorious service and for distinction in public or private endeavor. In the medieval university, students and teachers wore gowns indicating their status and scholastic achievement.

In 1895, an intercollegiate commission drafted a uniform code for the use of academic caps, gowns, and hoods in the United States. This code is followed by approximately 95 percent of all colleges and universities. In 1932 and 1935 the American Council on Education reviewed and refined the American academic costume.

Those holding a bachelor's degree traditionally wear a gown of worsted material, fastened at the top, and distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, is made either of worsted or silk, and has long closed sleeves with an arc appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor's gown, also worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve.

A hood may be worn with the gown and is made of the same material. The master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long, faced with a five-inch strip of velvet. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: Agriculture – Maize; Arts, Letters, Humanities – White; Commerce, Accountancy, Business – Drab; Dentistry – Lilac; Economics – Copper; Education – Light Blue; Engineering – Orange; Fine Arts including Architecture – Brown; Forestry – Russet; Journalism – Crimson; Law – Purple; Library Science – Lemon; Medicine – Green; Music – Pink; Nursing – Apricot; Oratory (Speech) – Silver Gray; Pharmacy – Olive Green; Philosophy – Dark Blue; Physical Education – Sage Green; Physical Therapy – Teal; Public Administration including Foreign Service – Peacock Blue; Public Health – Salmon Pink; Science – Golden Yellow; Social Work – Citron; Theology – Scarlet; Veterinary Science – Gray.

The appropriate cap for all degrees is the familiar black "mortarboard." A black tassel, or one of a color signifying the field of specialization, hanging to the left of the face, is appropriate for all degrees. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study, or with the "mortarboard" may wear a tassel in whole or in part of gold thread.

The Presidential Medallion - The presidential medallion is the traditional symbol of office worn at official functions. The design features a torch symbolizing learning; a wreath, symbol of victory, while the star ruby symbolizes excellence.

The Mace - The East Tennessee State University mace is an organic design in forged silver with an ebony handle. The form gives a circular impression, referring to the medieval concept of a heavy armor-breaking club yet losing its warlike appearance by becoming less solid and a more decorative symbol of the university as it encompasses global thinking. A central staff radiates the thrust of the rhythmical branches of the tree of knowledge; the heavier branches representing the well-established disciplines and the more delicate ones the beginnings and growth of the new.

The Flag - The flag of East Tennessee State University is of simple conception, yet representative of the rich heritage of the area and the aspirations of the university.

White ribbon - cum laude (3.50 – 3.64 GPA)

The Star-Spangled Banner

Oh say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Alma Mater

In the shadow of the mountains,
Under skies of blue,
Stands our dear old Alma Mater,
Glorious to view,
Sound the chorus, speed it onward;
Thee we'll never fail!
Hail to thee, our Alma Mater—
Hail to thee, all hail!

In thy halls we formed our friendships,
Dear old college home;
And to thee we pledge our hearts,
Wherever we may roam,
Sound the chorus, speed it onward;
Thee we'll never fail!
Hail to thee, our Alma Mater—
Hail to thee, all hail!
