AFFIRMATION OF BACKGROUND CHECK

As a condition of the Educator Preparation Program, you were required to have a background check through the Tennessee Bureau of Investigation and the Federal Bureau of Investigation. You signed a consent form stating that you gave permission for the results to be shared with the Educator Preparation Committee.

Additionally, you agreed that if a change in your status occurred (i.e., arrest, conviction, etc.), that you would report this change to the Director of Field Experiences and Residency within five days or prior to entering a school setting. If any change is NOT reported to the Director, this lack of action will be cause for suspension or dismissal from the Educator Preparation Program.
