

# Advisory Boards for Reading Specialist

**2023-2024 Advisory Board:** The October 5, 2023 Advisory Board included 11 attendees. They represented department faculty members, leaders from five neighboring counties, and graduates. The participants continued to praise the program for its rigor and substance, while suggesting improvements to include exposing students to state mandates related to dyslexia, introducing students to IPG process, and familiarizing students with individual learning plans for English Learners and students with dyslexia.
