**Terms of Use** (Please read and initial to indicate your acceptance of the condition.)

____ 1) This deferment herein does not pay T & F but allows an extension of time to pay T & F not to exceed the last day of the semester unless, in the discretion of the Veterans Affairs Director, extenuating circumstances exist.

____ 2) If the education benefits indicated are not received, the applicant is still required to pay all deferred T & F that are subject to the institution’s refund policies. Withdrawal after the first day of class does not void this obligation.

____ 3) Continued eligibility to T & F deferments is conditioned upon good faith compliance with the program’s intent and rules and if, in the judgment of the Veterans Affairs Director, one fails to make timely benefit payments or not pay the total amount due by the end of the semester, subsequent T & F deferment eligibility is forfeited.

____ 4) Failure to pay all T&F due may result in an encumbrance of academic records, future enrollment registration or other related administrative actions. (Note: Most T & F must be paid to register for the following term prior to the end of the present term.)

____ 5) Any limit on the deferment is determined from the amount of T & F for certifiable semester hours used to calculate the training time.

____ 6) If a resident of university housing, this deferment does not apply to room and board charges and separate arrangements must be made with the Housing and Bursar’s Offices.

I hereby request veterans’/service members’/dependents’ tuition and fees payment deferment and certify the information provided herein is true and correct to the best of my knowledge. I will make payments to the Bursar as benefits are received and I understand that T & F must be paid in full by the last day of the semester. I understand that if I do not comply with the statutory guidelines that I will forfeit future deferment entitlement.
