

Dual Enrollment Test Waiver for 2023-2024 Academic Year

Due to COVID-19, ETSU is adjusting our admissions criteria for dual enrollment students to accommodate those students who may not meet the normal test requirements. This waiver is for use during to 2023-2024 academic year. Accuplacer may be needed for classes outside of the approved list. Please be advised that ACT/SAT scores are used to measure college readiness. By signing this waiver, you are agreeing to the statements below which outline some potential risks associated with taking a college class as a dual enrollment student without test scores as an indicator of college readiness.

- **Your grades will be on your high school and college transcripts. Therefore, a poor or failing grade could have unforeseen effects on your academic plans or could impact your ability to graduate high school. This grade will also be a part of your college transcript.**
- **You must maintain a dual enrollment GPA of at least 2.0 in order to keep the dual enrollment grant.**
- **You are responsible for following the ETSU guidelines and responsibilities while you are a dual enrollment students which include academic calendar dates for course changes or withdrawal.**
- **Dual Enrollment courses at ETSU are college courses that require the level of work expected from all ETSU students.**
- **Students using the waiver must choose classes from the approved list of classes as outlined by the Office of Admissions.**

By signing this form, you agree to the bullet points above:
