

## Academic Advisement Council Agenda

Tuesday, July 23, 2024

Culp Room 311

### Professional Development Facilitator(s):

#### **Green Zone: A Military Friendly Area of Operation**

*Green Zone is a connectivity network that allows individuals to easily identify members of the campus community trained to have a better understanding of the strengths and challenges our Military-Affiliated Students (MAS) face. Green Zone training provides participants with a deeper knowledge of the guidance and support we can provide and creates a network of support with the students' best interest in mind. Covered topics will include:*

- *Common Military Terms*
- *Military Affiliated Students at ETSU*
- *Educational Benefits*
- *Transition and Culture Shock*
- *Post-Traumatic Stress Disorder (PTSD) / Traumatic Brain Injury (TBI)*
- *Engagement and Resources*
- *The importance of fostering an equitable and accessibly learning environment for our MAS population.*

*Cody Morelock, Candidate: Master of Education, Educational Leadership;*

*Dan Bishop, Director, Military & Veteran Services*

*Jason Wilder, Assistant Director, Military & Veteran Services*
