GUARANTEED TRANSFER TO EAST TENNESSEE STATE UNIVERSITY

ABOUT THE PROGRAM

East Tennessee State University has collaborated with A-B Tech to implement guaranteed admissions, articulation agreements and reverse transfer. These programs and initiatives are designed to help provide a smooth transition for transfer students to ETSU.

Ready to take the next step towards your Bachelor's degree? Surrounded by the mountain beauty, ETSU offers more than 140 programs of study and limitless opportunities to be engaged on campus and in the community. Not only is ETSU a place to earn your degree, it is a place to learn, grow and lead. With over 244 student organizations, we have something for everyone. If being a member of a group is not what you are looking for there are more ways to get involved: attend a sporting event, join an intramural team, study abroad, enjoy our theatre and art events or attend a concert.

ELIGIBILITY REQUIREMENTS

- Must complete all requirements for an Associate in Arts, Associate in Science, Associate in Fine Arts, or Associate in Engineering degree with at least a 2.0 cumulative grade point average,
- Submit an official transcript showing completion of the associate degree.
- All other collegiate work must be submitted to the ETSU Office of Admissions for inclusion in the overall academic record and consideration in the admission decision.

ARTICULATION AGREEMENTS

Partnerships between ETSU and A-B Tech also extend into programs with Articulation Agreements. These pathways are intended to simplify the transition to a Bachelor's degree. Agreements are designed to provide a clear list of courses (Those you will take at A-B Tech and those you will take at ETSU) to satisfy degree requirements at both places. For more information, please visit www.etsu.edu/articulation.

REVERSE TRANSFER

Reverse Transfer is available to students who have earned at least 15 credit hours at A-B Tech and transferred to ETSU from A-B Tech without earning an Associate Degree. Once at ETSU, Reverse Transfer allows students to transfer course work from ETSU back to A-B Tech to complete requirements for the Associate Degree.
