RFQ 26010 ETSU Innovation Lab and Johnson City Community Health Clinic Mowing Services
Questions and Answers

1. Can we get more information about the bush hogging?

Answer: “Secondary lawn” at Innovation lab and “retention pond” at Community Health to be mowed monthly, bush hog or similar rough-cut mower is acceptable.

2. PAGE 3- second paragraph under ETSU Innovation Lab it states "monthly mowing of secondary lawn." Then PAGE 8 on the map referenced it states "Bi-weekly." Which is correct?

Answer: The wording on the maps on PAGE 8 and PAGE 9 is incorrect. These areas are to be mowed 1x per MONTH.

3. PAGE 3 - second paragraph under ETSU Innovation Lab it states "mulch landscape/flower beds once per year (3×)." Is that once per year or three times per year?

**Answer: This should be “Mulch: landscape/flower beds once per year (1x)”
Beds should be mulched one time per year.**
