Margaret Anne Byrd Huffman Archives of Appalachia Endowment Grant

2026 Application Form

Instructions

Please complete the application below. Please note:

- both the "Project Proposal" and the "Project Significance" have strict character limits of 1750 characters (including spaces). **We highly recommend that you draft your content in a word processor and do a formal character count before pasting into the application, as submissions that exceed the character limit will automatically be rejected from the system**
- all applicants are required to upload a current CV
- student applicants are also required to upload a copy of their transcripts (unofficial transcripts will be accepted)

Project Information

Project Title: *

List **specific** collections from the Archives of Appalachia that will be central to the project (you can access a comprehensive catalog of our collections at archives.etsu.edu):

*

Project Proposal (no more than 1750 characters, including spaces)
The proposal should include:

- a clear rationale for the project, including a well-defined set of objectives and outcomes
- a specific timeframe for completing the project

*

Project Significance (no more than 1750 characters, including spaces)

- an explanation of how this project will contribute to a better understanding of the Appalachian region
- (if applicable) how this project will facilitate digital access to the Archives' collections

*

Budget Information

Total Amount Requested (up to $2,000):   *

Itemized Budget
Include a detailed, item-level, annotated list of expected expenses, explaining how the funds will be used (supplies, publication costs, registration for virtual conference, equipment, etc.). Please be specific.
