eDay is coming up!

Friday, April 8, 2022, 2pm-5:30pm
Sam Wilson Hall (room 228)

The **CaRDS (Computation and Research in Data Science) Institute** and **MSADS (Masters of Science in Applied Data Science)** will host a program that highlights information technology careers in the healthcare sector.

Our speaker is **Steve Hill**, Senior Director of Operations for Ballad Health.

In the concluding session, students and ITS staff members will showcase computation at ETSU.

Steve Hill
Senior Director of Operations for Ballad Health
2:00-3:00 PM (Sam Wilson 228)
