Tennessee
2008 Governor’s School
For Scientific Models and Data Analysis

East Tennessee State University, Johnson City

Student Handbook

June 1 – July 3, 2008

Funded by the Tennessee State Department of Education with additional support from
East Tennessee State University

East Tennessee State University, Johnson City, does not discriminate on the basis of race, color, religion, national
origin, age, disability, or veteran status in provision of educational opportunities or employment opportunities and benefits. This
policy extends to both employment by and admission to the University.

The University does not discriminate on the basis of race, sex, or disability in its education programs and activities
pursuant to the requirement of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section

Inquiries and charges of violation concerning Title VI, Title IX, Section 504, ADA or the Age Discrimination in
Employment Act (ADEA) or any of the other above referenced policies should be directed to the Office of Equity and Diversity
(OED), ETSU, Box #70734, Johnson City, TN 37614-1709, telephone (423) 439-4445. Requests for accommodations of a
disability should be directed to the ADA Coordinator at the ETSU Office of Human Resources, Burgin Dossett #307, Johnson
City, TN 37614-1709
Governor’s School for Scientific Models and Data Analysis

East Tennessee State University’s 2008 Governor’s School for Scientific Models and Data Analysis will present applications of engineering methods to living systems physiology including the mathematical modeling of living system processes. Emphasis will be given to building the vocabulary and communications skills needed for effective work in this interdisciplinary subject area. This Governor’s School will provide background directly applicable to the future study of biomedical engineering or the health sciences including medicine, dentistry, veterinary medicine and other allied health professions.

The Curriculum

The curriculum offered will include two regularly-offered courses:

**BIOL 1110  Biology for Science Majors Lecture I**
Core requisite: BIOL 1111. Principles of molecular and cellular biology, including metabolism and genetic inheritance. Designed for biology majors, minors, and others who plan to take upper-level courses for which this is a prerequisite. Three (3) hours of lecture and two hours of lab. A common grade will be given in BIOL 1110/11.

**BIOL 1111  Biology for Science Majors Lab I**
Core requisite(s): BIOL 1110. Laboratory exercises to gain the ability to identify and use the processes of biological science with materials corresponding to Biology for Science Majors Lecture I. One (2) two-hour lab per week. A common grade will be given in BIOL 1110/11.

**Important Dates**

The following are important dates for parents and students:

<table>
<thead>
<tr>
<th>Date</th>
<th>Time</th>
<th>Event</th>
<th>Location</th>

DIRECTIONS TO THE RESIDENCE HALL

ARRIVING  From I-26

From I-26 take EXIT 31, turn left off exit onto University Parkway, follow University Parkway to the East Tennessee State University entrance on your left.

RESIDENCE HALL INFORMATION

Students in this program will stay in Humes Hall, one of the Presidential Complex buildings; this is an air-conditioned hall on the west end of campus, near the Aquatic Center and the Health, Physical Education and Recreation (HPER) Building. The rooms are arranged as four-person suites, with each suite having two bedrooms and a bathroom. Men and women are housed on separate floors, and there is one resident advisor of the appropriate gender on each floor to guide and help students.

You will receive a dorm key, which must be turned in at checkout, so be careful with the key to your room. The University has a standard $20.00 charge for lost keys and cannot be responsible for the loss or damage of students’ possessions. Please keep your dorm room door locked, even when you are in your room or when you leave for “just a minute.” Residence halls, like hotels, are places for occasional loss of property that is almost never relocated or recovered. Students should also remember to lock their doors each time they leave their rooms in order to protect their belongings and those of their roommates.

IDENTIFICATION

YOU WILL NEED TO BRING WITH YOU AN OFFICIAL PICTURE ID OF YOURSELF. When you check in, you will also receive a Governor’s School name badge and a Special Functions Identification Card. When on campus, you are required to wear your badge at all times. The special ID authorizes your presence on campus. Please carry this ID with you at all times – there is a $10.00 charge to replace lost ID’s. This ID will be required for meals, to check out books from the library, to gain access to swimming and other athletic facilities, and to be admitted to certain cultural events.

VISITATION POLICY

Because we have a full, seven day-a-week schedule of instructional and recreational activities planned for the Governor’s School students, we must ask that parents and friends abide by a “no outside visitors” policy. Parents, friends and other unauthorized visitors will not be permitted in classes, in the residence hall, or on any trips or other activities of the School.
CONTACTING A STUDENT IN AN EMERGENCY

In any emergency situation, a student should be contacted by calling the student directly (the number will be available when the students check-in). The residence hall front desk phone number is (423) 439-0000. The Office of the Vice President for Student Affairs (439-4210) may be called to locate a student if a true medical emergency exists.

From 8:00 am to 5:00 pm, Monday through Friday contact the Program Director at (423) 439-7589 or Ms. Angela Haga at (423) 439-7592 will be able to inform on the current expected location of each student.

AUTOMOBILE POLICY

Students WILL NOT BE PERMITTED to use a car while enrolled in the Governor's School for Scientific Models and Data Analysis. There will be no need for an automobile because all activities on campus are within walking distance of the residence hall, and the Governor's School provides transportation for off-site enrichment and recreational activities. If it is necessary for a student to drive to East Tennessee State University from his/her home location, that student will be required to leave the vehicle keys with the Governor's School Director at the opening ceremony. If the vehicle remains on campus, it will be necessary to purchase a visitor's parking permit. The cost of the permit must be paid by the student, and will depend on the number of days that the vehicle remains parked on campus.

TELEPHONES

Each dormitory suite has a telephone. Students may make long distance calls on a collect basis, or through use of a long-distance telephone calling card. On-campus numbers (974-numbers and 595-numbers) are accessed by simply dialing 4 or 5 and the last four digits. To make local calls off campus, first dial 8, wait for a dial tone, and then dial the number. For operator assisted long distance calls, dial 8, wait for a dial tone, dial 0 + area code + number; the operator will answer. Students cannot accept collect calls. As a courtesy to their roommates, students should limit phone calls to fifteen minutes and not receive or make calls after midnight.

CELL PHONES

Students participating in the 2008 Governor's School for Scientific Models and Data Analysis MAY NOT BRING CELL PHONES ON CAMPUS FOR USE DURING THE GOVERNOR'S SCHOOL PROGRAM. Any cell phones inadvertently brought to the Governor's School will be held by the Program Director until the conclusion of the program. Phone numbers for student contact are provided (423-439- ); dormitory number to be specified for emergency in-coming calls and cell phones are not needed.
MAIL

The campus post office, located on the lower level of the Culp University Center, is a full service federal contract station (C.P.U.) with more than 13,500 P.O. boxes and offering retail service comparable to any United States Post Office. Business operating hours are 8:30 a.m. to 4:30 p.m. Monday through Friday. No service is provided on the weekends but P.O. Box access is available 7 days a week, 8:00 a.m. until 10:00 p.m. through the post office lobby.

For more information call (423)439-4232

Students may purchase stamps at the East Tennessee State University Post Office. Mail to scholars in the program will be placed in individual mailboxes in the lobby of the assigned residence hall, and should be addressed as follows:

**Name of student**  
Governor’s School for Scientific Models and Data Analysis  
Warf-Pickel Hall (name of Residence Hall the student will be staying in)  
P.O. Box 70301  
Johnson City, TN 37614-1709

**DO NOT** put East Tennessee State University in the address in order to avoid unnecessary delay in mail delivery. **DO NOT** send any mail intended for students to the Governor’s School Director’s office.

EXPENSES AND MONEY

The Tennessee Governor’s School pays for most student expenses, including tuition, dormitory room costs, food, recreation fees and transportation on field trips. Most students will need a modest amount of spending money for supplies, souvenirs, extra books and magazines, laundry, late-night snacks and recreational activities (e.g. bowling in the University Center). Money should also be available for prescription(s) and over-the-counter medications needed.

Students **will not** be able to cash money orders or personal checks of their own and will have even greater difficulty cashing out-of-town checks from parents. The Governor’s School and/or East Tennessee State University will not be able to intervene in money transfers.

Traveler’s Checks are the safest and easiest way to bring money to the School. They are easy to replace if they are lost, and they can be cashed at the D.P. Culp University Center. Bank cashier’s checks may also be cashed at the D.P. Culp University Center. The limit for check cashing is $50 per visit. There are also a number of automatic teller machines available outside the D.P. Culp Center near the parking garage.

CLOTHING

In the months of June through July, the weather is warm on campus. We recommend that you dress casually and comfortably (but discreetly) for daily activities. In classes or other academic settings, walking shorts are acceptable; short shorts and halters are not. Remember that although
the outside temperature is often in the 90’s, most buildings are air-conditioned, so bring a sweater or sweatshirt if you tend to be cold.

Depending on recreational activities planned, jeans or other long pants, long sleeve shirt and a sturdy pair of footwear may be desirable. An umbrella or poncho would be a good idea in case of rain. If you have a daypack or backpack, that would be helpful as well. For our opening and closing events, more formal clothes are suggested.

**LAUNDRY**

Laundry facilities are located in the basement of Humes Hall and the cost for washer and dryer is 75 cents per load. Students are expected to pay their laundry expenses. We suggest you bring a supply of laundry detergent. Bed linens are provided in the rooms and will be exchanged as a full set once a week, on Monday evenings. Clean towels and washcloths are provided daily.

**MEALS**

Meals are provided daily (including weekends) beginning with dinner on Sunday evening, June 1, and concluding with lunch on July 3. Breakfast, lunch and dinner will be served in a University Campus cafeteria.

**VENDING**

Coin-operated vending machines are located on the lower floors of the residence hall. These machines are serviced daily, except Sunday. Lost money in vending machine should be reported to the main desk for a refund.

**WHAT TO BRING**

**Sporting Equipment, Music Players, Camera, Personal Electronics, DVD Movies**

Bring any of these items you think are appropriate for use during recreation periods.

Bring swimsuits and beach towels for swimming in the campus pool. Light sporting/recreation equipment, such as volleyballs, softball equipment, or basketballs may be checked out from the Center for Physical Activity.

Students are encouraged to bring cameras to take candid shots of their academic and social experiences.

**PERSONAL ITEMS**

If you have a favorite type of pen, pencil, or writing paper, you should bring your own supply of these. Other supplies (paper punch, ruler, scissors, etc.) might come in handy. **You will need a scientific calculator** (TI-83 or equivalent). A backpack or briefcase will be useful for carrying books and supplies to class.
Alarm clocks or clock radios are necessary to avoid missing breakfast or morning classes. Desk lamps are acceptable, but large TVs and stereos are inappropriate. Remember to bring personal items such as soap, sunscreen, or stationary, although the Campus Book Store and local drug stores carry full lines of these items if you need to purchase them during the program.

**COMPUTERS**

Each student will have access to computers for in-class use and for completing homework assignments. These computers can be used for word processing, and sending electronic mail during breaks. Students may choose to bring their own personal computers, word processors, or electronic personal assistants, but neither the Governor’s School nor East Tennessee State University will be able to assume any responsibility for damage and/or loss of any student’s equipment.

**UNIVERSITY FACILITIES**

**Library**

The Charles C. Sherrod Library, the Main Library on campus, opened in 1987 and holds the general and research collections and a comprehensive collection of bibliographic reference and research collections.

Library hours of operation during the Governor’s School Program:

- Monday through Thursday: 7:30 am - 4:30 pm
- Friday: 7:30 am - 4:30 pm
- Saturday: 10:00 am - 4:30 pm
- Sunday: 1:00 am - 7:00 pm

**Campus Recreation**

Campus Recreation offers a wide variety of physical activities and recreational sports for the entire ETSU community - students, faculty, and staff. Programs are offered in five areas: fitness, intramurals, non-credit instruction, outdoor adventure, and sports clubs. The center for Physical Activity and Basler Challenge Course serve as the foundation for these programs.

The Center for Physical Activity contains an indoor climbing wall, weight room, aerobic/martial arts studio, indoor swimming pool, three basketball courts, two racquetball courts, 1/8th mile track, locker rooms, and equipment rental center. Hour of operation for basic building services during the fall and spring semesters are 7a.m.-10 p.m., Monday-Friday, Saturday 10a.m. - 4 p.m., and Sunday 4p.m.-6 p.m. Pool hours are 7 a.m. - 9 a.m., 11 a.m. - 1 p.m., 4 p.m. - 7 p.m. Mondays through Fridays; Saturday 10 a.m.-4 p.m.; Sunday 4 p.m.-6 p.m. Hours are subjected to change during breaks and holidays.

You will receive specific instructions on the use of the pool. There is no charge to students for use of these facilities and no charge for lockers.
THE D.P. CULP UNIVERSITY CENTER

The D.P. Culp University Center is a modern architecturally designed student center, conveniently located in the heart of campus. The specific purpose of the center is to serve the students by providing an informal setting to enhance their educational, social and cultural interests. The Culp University Center provides a wide variety of services, entertainment, and social activities for the campus community. The D.P. Culp University Center Office phone number is 439-4342.

During the academic year, The Culp University Center is open Monday through Friday 8 a.m. until 10 p.m., Saturday and Sunday: 10 a.m. until 10 p.m. The Culp University Center is closed on official University holidays.

The services of interest to students include:

- Lounge and study facilities
- University Post Office – stamp sales, money orders and other related services
- Banquet and Conference Facilities
- ETSU Book and Supply Store (Nebraska Bookstore) for textbooks, supplies and personal items
- Administrative Offices

LOCAL COMMUNITY FACILITIES

Cumberland Avenue (“The Strip”) is the northern boundary of the main campus of The University of Tennessee. It provides the support services found in any college setting, such as fast-food restaurants, laundries, record stores, bookstores, and drug stores. These stores, within easy walking distance of all buildings on campus, provide a source of souvenirs, hamburgers and pizza for a dinner out, and replacements for forgotten or exhausted supplies. Be extra careful of the traffic on Cumberland Avenue; cross only at the lights!

RELIGIOUS CENTERS

There are many religious centers in the general campus area. These include Baptist Student Union, 546-8272, Christian Student Center (Church of Christ) 523-4796, Christian Science Fellowship, 523-7261, Hillel House (Jewish) 5465-7848, John XXIII Community Center (Catholic) 523-7931, Lutheran Campus Ministries, 546-9846, Presbyterian Center, 525-7475, Terrace house (Seventh Day Adventist), 522-3193, Tyson House (Episcopal) 523-5375, and Wesley Foundation (United Methodist) 522-2728.

Every effort will be made to ensure students are able to attend religious services of their choice within reasonable distance off campus. We ask that students attend on-campus worship services if possible. If appropriate religious services are not available on campus, the Governors School staff will seek to arrange transportation to off-campus facilities. Students who obtain advance written permission from their parents or guardians will receive this type of transportation.
MISCELLANEOUS

Any student having special dietary needs or medical needs will be accommodated. Notes of such needs must be provided to the Governor’s School Director before the beginning of the program.

A refrigerator will be provided in the residence hall for medicinal purposes.

Physicians in the Student Health Clinic may administer allergy shots.

OPERATING POLICIES IN THE GOVERNOR’S SCHOOL FOR SCIENTIFIC MODELS AND DATA ANALYSIS

Standards of Conduct

The Board of Trustees of East Tennessee State University has approved certain standards of conduct that apply to students. As guests of the University, Governor’s School students are expected to follow the University standards of conduct, as well as rules that pertain only to Governor’s School students. A team of conscientious lady and gentleman Resident Associates will ensure a pleasant and enjoyable Residence Hall stay, complemented by exciting recreational activities. Please note that the Resident Associates are empowered to enforce all the standards of expected behavior and the School Director will have the authority to dismiss a student from the Governor’s School Program for flagrant or repeated violations of these standards.

MAIN CAMPUS PERIMETER

Students are not to leave the convenient perimeter comprising the campus of East Tennessee State University and bounded by State of Franklin Avenue on the north, the railroad tracks at the west, Neyland Drive on the south, and the railroad tracks on the east, except by prior permission of the Program Director. After 7:00 p.m. (7:30 p.m. on weekends), students may not be in restaurants or other establishments along Cumberland Avenue (“The Strip”). Students must be especially careful of the traffic on Cumberland Avenue. There have been several serious accidents in the last few years caused by automobiles striking pedestrians who have improperly crossed Cumberland Avenue. Cross only at intersections and pedestrian crossings and observe the crossing signals.

SAFETY

The University is generally a safe community with many well-lighted routes. For their own safety, students should walk only in groups of two or more any time they are out of the residence hall after dinnertime. As is possible in any large area (the University is effectively a city of 13,000 residents), occasional problems may arise. If serious problems occur, on the other hand, they generally happen outside the perimeter around the University campus that the Governor’s School students are allowed to frequent. It is important that parents and students familiarize themselves with all rules and policies described throughout this handbook. A thorough understanding and cooperation by students and parents will help to ensure the smooth operation for the Governor’s School Program.
EMERGENCY SITUATIONS

In any emergency situation, students should promptly notify the Head Resident and campus security immediately. The ETSU Police Department operates on a 24-hour per day basis. A police dispatcher is always available to take information or full reports. All 911 calls placed on campus telephones are routed to the Johnson City E-911 emergency dispatch center. The call is dispatched to Johnson City Police for response. All calls, which are not of any emergency nature, should be made directly to the ETSU Police Department by calling 439-4480.

Blue light emergency telephones (call boxes) are located at various sites on the campus. Pushing one of two buttons (a large button that connects directly to the E-911 Dispatcher, or a smaller button which contact the University’s escort service) activates the call boxes. In response to a call from an emergency blue-light telephone, police officers are immediately dispatched to the location of the call or complaint. The location of the emergency blue-light call boxes is noted on the ETSU Campus Parking Map, which will be provided. In the dorms, student should report at once any unknown or suspicious individuals or other problems to the Residence Advisor or to the Head Resident.

In the event of a medical or other emergency, the student should notify a Residence Advisor, the Head Resident, the Program Director, or campus security. They will arrange for prompt and proper treatment.

The Student Health Clinic is located on the first floor of Nicks Hall. Same-day appointments are available by call 439-4225. The clinic is open Monday-Friday from 8 a.m. to 4:30p.m to serve all enrolled students at ETSU. Care is provided by Nurse Practitioners, Registered Nurses, Physicians, and Health Educators. Specialty clinics are also available to students such as women's and men's health on a daily basis. There is no charge for visits to the clinic. Students are only charged for laboratory expenses and any medications that maybe dispensed through our pharmacy. If a student fails to contact the clinic prior to an appointment, there is a "no show" fee of $20.00 placed on the students account for failing to call to cancel the appointment.

Student Health Clinic services include:

- Medical and nursing care for illness and injury
- Referral to other outside health care professional for chronic conditions
- Women's health programs
- Men's health programs
- Sexually transmitted disease screenings
- Immunization clinics
- Allergy clinics
- Health education
- Individual health counseling for nutrition, smoking cessation, health promotion, etc.

Major treatment is the responsibility of each student and their parents or guardians.

Students having prescription(s) or needing over-the-counter medication must bring a note from their parent/guardian authorizing the use of such agents.
UNIVERSITY STANDARDS

The following are unacceptable acts in the University community and may result in immediate dismissal of anyone committing any of these acts.

1. Vandalism, malicious destruction, damage, or misuse of private or public property, including library materials.
2. Physical abuse of any person on University owned or controlled property or at University sponsored/supervised functions, or conduct that threatens or endangers the health or safety of any person.
3. Use and/or possession, (or being under the influence of) alcohol, marijuana or any narcotic, stimulant, hallucinogenic drug. Such use violates state and federal law on University owned or controlled property or at University sponsored/supervised events.
4. Possession, while on University owned or controlled property or supervised activities, of any weapon such as, but not limited to, rifles, shotguns, ammunition, hand-guns, and air guns, including explosives, such as firecrackers.
5. Sexual harassment by any member (faculty, staff, students, applicants) of the University community is a violation of Federal and State laws and University policy.

GOVERNOR’S SCHOOL STANDARDS

1. Students in the program are expected to use only the University facilities appropriate for participation in the Governor’s School. Off-limits to Governor’s School students are: (a) all fraternity or sorority houses, (b) residence halls other than the one assigned, (c) classrooms or other facilities used by other programs on campus.
2. Governor’s School students are expected to attend all scheduled activities and events. Any absences will be reported to the School Director, and flagrant unauthorized absences will result in dismissal from the program.
3. Repeated failure to complete classroom assignments and projects on time is cause for dismissal from the program.
4. Leaving campus for a local destination is, in most instances, not permitted. Students will NOT be excused from the Governor’s School to visit relatives, to attend family vacations, etc. In the event of BONA FIDE emergencies, students will be released with the authorization of the School Director. The parent or guardian must contact the School Director to authorize release of the student and to identify who will pick up the student.
5. Smoking and use of smokeless tobacco are prohibited during the Governor’s School.
6. Each student will receive an account with one of the University of Tennessee Computing Centers. Students may not give their password to anyone else or allow anyone else to use their accounts unless specifically authorized by the Director of the Computing Program for the Governor’s School. Students must also adhere to all computing center regulations, especially the code of ethics.
**CURFEW**

A curfew has been established both for the safety of the students and to support development of their responsibility. On weekday nights, Monday through Thursday and on Sundays, all students are to be in the residence hall by 10:00 pm, and in their individual room by midnight. On weekend nights, Fridays and Saturdays, students do not need to be in the residence hall until 11:00 pm, but they must still be in their room by midnight. Students will check in with their resident advisor twice each evening. They will first check in between 7:00 and 8:00 pm to confirm their presence on campus; they may do so either in person at the resident hall, or by telephone call to one designated residence assistant (RA), in which case student still have to communicate the exact location they are on campus and a campus telephone number at which they can be reached; after this first check-in, students can be outside the residence hall, but must remain on campus. Students will then check in by 10:00 pm (11:00 pm on the weekends) in person, to verify that they are in the residence hall building, and some time later each evening the designated RA’s will check every room assigned to the students to ensure that no unauthorized person is present in each room. After the second check-in, students are not to leave the building, and after midnight students are not leave their suites until the next morning.

**RESIDENCE HALL SECURITY & SAFETY REGULATIONS AND PROCEDURES**

A uniform set of regulations exists for the safety and comfort of all people in the residence halls. As members of the university community this summer, students are expected to adhere responsibly to these regulations.

1. Students in the program are expected to follow all instructions and directions from their Resident Associate. These instructions and directions will always be fair, sensible, and sensitive to each individual student’s need.

2. Room assignments will be made using students’ input and our best judgment. Part of the college experience is learning to get along with roommates. Room changes cannot be made without the school Director’s approval and will be made only if serious difficulty develops between roommates.

3. Students of one gender are not allowed on floors of the residence hall assigned to students of the other gender.

4. Students are expected at all times to wear a provided name badge on campus and follow the curfew rules.

5. Dormitory windows are not to be opened. Objects may not be thrown out of residence hall windows.

6. Pets are not permitted in the residence halls.

7. Residents are expected to show consideration for others at all times and to avoid excessive noise including loud music.
8. Students are not permitted to use nails, tacks, or screws in the walls or woodwork anywhere in the dormitory facility.

9. Students may not install any attachments to the telephone. Students are responsible for any damage or loss of telephone equipment.

10. It is the responsibility of each resident to personally maintain the assigned room. The room must be cleaned before final check out. The housekeeper who will also provide fresh towels daily will clean bathrooms once a week. Residents will need to make their own bed and change bed linens (furnished by the resident hall) once a week.

11. Items that are flammable (fuel, etc.) may not be stored in resident’s rooms. Items that require an open flame to operate (such as lighted candles, incense, Bunsen burners, or alcohol burners) or which produce heat (such as hot plates or popcorn poppers) are not allowed in resident’s rooms.

**REMEDIES TO ADDRESS VIOLATIONS OF OPERATING POLICIES**

In our past experience, the Governor’s School students have generally been outstanding young ladies and gentlemen who are very conscientious and display the highest and most commendable standards of conduct. Occasionally, however, one or few students may minimize the importance of standards or regulations. For the sake of every student’s welfare, security and safety, the Governor’s School Resident Associates, Teaching Associates, and Faculty will promptly report to the Governor’s School Director any violation of the standards of conduct, and, most importantly, of the security & safety regulations. The School Director and Resident Associates will sensitively and responsibly impose the following fair remedies on any student who might clearly disregard standards and regulations.

1. At the first willful violation of any standard or regulation, the offender will be instructed to remain confined to the Resident Hall immediately after classes and dinner, and not allowed to participate in any evening recreational activity. This remedy will remain in effect for two consecutive evenings following the violation. The Governor’s School Director will also speak with the student to address and solve the problem.

2. At the second willful violation, the remedies will include the ones described above. In addition, the Governor’s School Director will discuss the situation with the student’s parents, and depending on the gravity of the violation, he may dismiss the student.

3. At the third willful violation, the Governor’s School Director will have no other remedy but immediately to dismiss the student from the program. In this case, the Director will make arrangements with the student’s parents to ensure a safe return to the student’s home.

These remedies have the sincere objective of ensuring your security and safety, as well as welfare and comfort. Prior years’ Governor’s School students appreciated and actually welcomed the presence of these necessary rules, and we are confident you will agree that because of these rules your stay will be certainly very safe, pleasant and enjoyable.
Appendix A

Student Check List

Be sure to bring the following items:

- Proof of Insurance—very important, either an original or photocopy
- Pillow, sheets, and pillowcase for a twin-size bed
- Two light blankets
- Bath towels, wash cloths, beach towel
- Spending money can be credit, debit, or check card, or ID Bucs
- Laundry money and supplies
- Sunscreen, hat, sunglasses
- Work clothes, shoes, and gloves—you will get dirty
  Work clothes should be hiking boot-type, all leather, with lug soles
- Rain gear
- Swimsuit
- Sturdy, comfortable walking shoes
- Dress clothes for final presentation (see information booklet)
- Backpack/book bag
- Personal toiletries and prescription medications
- Writing materials

You may consider bringing these items, though they are not necessary:

- Room or Box fan
- Sports equipment
- Musical instruments
- Flashlight
- Regular telephone to plug in at the dorm
- Cell phone—may only be used in the dorm during open time; cell phones are prohibited during all Governor’s School activities
- Computer (and surge protector)
- Alarm clock, small radio

DO NOT BRING

- Personal checks
- Cars
- Extension cords
- Flammable items (such as candles, popcorn poppers, hot plates, etc.)
- Alcohol and tobacco products
- Firearms and weapons of any kind

Be sure to mail all forms by May 01, 2008 to the following address:

Angela Haga
Governor’s School for Scientific Models and Data Analysis
(East Tennessee State University)
Center of Excellence in Mathematics and Science Education
P.O. Box #70301
Johnson City, TN 37614-1709
Appendix B

2008 GOVERNOR’S SCHOOL
FOR SCIENTIFIC MODELS AND DATA ANALYSIS

Family Invitation Form

You are invited to participate in the opening and closing ceremonies of the Governor’s School for Scientific Models and Data Analysis. Please supply the information requested below and return this form (and a check if necessary) with your other forms. Students’ meals will be provided by the Governor’s School, and each student may bring two guests to the opening and closing luncheons. If more than two guests attend each luncheon, the cost per extra guest will be $10 for the opening and $20 for the closing luncheon.

Student’s Name:________________________________________________________

We are planning to attend the opening luncheon on Monday, June 2, 2008:

Total number (including student) in our party: __________

Less number paid for by the Governor’s School: __________ 3

Total additional guests: __________

Total additional guests: __________ X $10.00

Amount owed for opening luncheon: __________

We are planning to attend the closing luncheon on Thursday, July 3, 2008:

Total number (including student) in our party: __________

Less number paid for by the Governor’s School: __________ 3

Total additional guests: __________

Total additional guests: __________ X $20.00

Amount owed for closing luncheon: __________

Total amount owed for both luncheons: __________

Checks should be made payable to ETSU/Governor’s School for Scientific Models and Data Analysis

A single check for both banquets will be fine. Mail this and all other forms by May 01, 2008.
Appendix C

2008 Governor’s School for Scientific Models and Data Analysis

Code of Conduct Agreement

While participating in the Governor’s School for Scientific Models and Data Analysis, whether on campus or off campus, I will at all times conduct myself in accordance with guidelines and regulations as set forth in the Governor’s School Student Handbook.

I understand though that because I am an ETSU student, I will be subject to all of the Institutional Student Disciplinary Rules as set forth in the ETSU Student Handbook. The ETSU Student Handbook reads (in part): Plagiarism, cheating, and other forms of academic dishonesty are prohibited. Students guilty of academic misconduct, either directly or indirectly through participation or assistance, are immediately responsible to the instructor of the class. In addition to other possible disciplinary sanctions which may be imposed through the regular institutional procedures as a result of academic misconduct, the instructor has the authority to assign an “F” or zero for the exercise or examination, or to assign an “F” in the course. (Page 18 of the ETSU Handbook, section 0240-3-2-.03 paragraph 2)

I will, at all times represent the Governor’s School, the Center of Excellence in Mathematics and Science Education, East Tennessee State University, and the State of Tennessee with dignity.

Release Form for Church Services

Please complete the form below and return it on or before May 01, 2008. In the event that your child or ward will be attending more than one church on different dates, please supply all the necessary information: names of all churches, dates of all attendance, and names of all individuals who will be responsible for transporting the student to and from church services. The student must be back to the dorm in time for any scheduled activities.

Student’s Name__________________________________________________________

Name of Church__________________________________________________________

Address of Church________________________________________________________

Telephone No. of Church___________________________________________________

Contact Person at Church___________________________________________________

Individual who will transport student to and from church________________________

Date(s) of Church Service__________________________________________________

Time leaving the dorm_____________________________________________________

Time returning to the dorm_________________________________________________

Signatures:

Incident Report Form

Date: _____________________  Student Name: ______________________________

Reporting Counselor: __________________________________________________________

Name and Signature

Please write a detailed account of the incident you are reporting, including day, time, and location of the event. This may be an account of disciplinary action or it may involve an accident of some kind. This form should also be used to report any issues the students might be having with each other, you, the Program, etc. These reports are filed to protect you, the Governor’s School Program, and the students, so be thorough. Remember to maintain confidentiality—students should not see incident reports.

Appendix G

Governor’s School Calendar for Scientific Models and Data Analysis
June 2 through July 3, 2008

Sunday, June 1
9:00-10:00  Counselors prepare dorm rooms—room assignments, names on doors, distribute text books
11:00-1:00  Check-in. Staff will be on hand to assist students.
1:00-3:00  Opening Luncheon-----Culp Center Ballroom
3:00-4:00  Student Residential Orientation—Parents and faculty welcome; counselors and students—mandatory attendance.
Dr. Herrin will give overview and answer any questions.
4:00-5:30  Settle into dorm rooms
5:30  Dinner—brought in
6:30  Get-to-know-you games
11:00  Lights out for students, Residential Staff Meeting

Monday, June 2
8:30-9:00  Breakfast – Cafeteria
9:00-9:30  Plenary Meeting, Rogers Stout 324
9:30-11:30  Tennessee History, Rogers Stout 324, Dusty Sayers
11:30-12:30  Photo ID Cards, Culp Center, 2 counselors to assist
12:30-1:00  Lunch—Cafeteria
1:00-3:30  Historical Geology, Hutcheson 201, Mick Whitelaw
3:30-7:30  Historic Preservation Group, Rogers Stout 324, Jenny Parker
3:30-7:30  Paleontology Group, Mick Whitelaw, Gray Fossil Site
5:30-6:00  Dinner – Cafeteria
6:00-10:30  Open Time Library open until 10:00
11:00  Lights out for students, Residential Staff Meeting

Tuesday, June 3
8:30-9:00  Breakfast – Cafeteria
9:00-9:30  Plenary Meeting, Rogers Stout 324
9:30-11:30  Tennessee History, Rogers Stout 324
11:30-12:30  Final Presentation Guidelines—Roberta Herrin
12:30-1:00  Lunch Cafeteria
1:00-3:30  Historical Geology, Hutcheson 201
3:30-5:30  Historic Preservation Group, Walking tour of the tree streets.
3:30-5:30  Paleontology Group, Hutcheson 201, Casting
5:30-6:00  Dinner – Cafeteria
6:30-8:30  Historical Geology Lab Hutcheson 201
8:30-10:30  Open Time—Library open until 10:00
11:00  Lights out for students, Residential Staff Meeting
Wednesday, June 4
8:30-9:00  **Breakfast** – Cafeteria
9:00-9:30  Plenary Meeting, Rogers Stout 324
9:30-11:30 Tennessee History, Rogers Stout 324
12:30-1:00  Lunch Cafeteria
1:00-3:30  Historical Geology, Hutcheson 201
3:30-5:30  Historic Preservation Group, Rogers Stout 324
3:30-7:30  Paleontology Group, Gray Fossil Site
5:30-6:00  Dinner – Cafeteria
6:00-10:30  Open Time (Paleontology and Historic Preservation final presentation groups should meet to discuss possible projects. Counselors assigned should meet with the students; faculty may also meet) Library open until 10:00
11:00  Lights out for students, Residential Staff Meeting

Thursday, June 5
8:30-9:00  **Breakfast** – Cafeteria
9:00-9:30  Plenary Meeting, Rogers Stout 324
9:30-11:30 Tennessee History, Rogers Stout 324
11:45-12:30  Group Photos—University Amphitheatre
12:30-1:00  Lunch Cafeteria
1:00-3:30  Historical Geology, Hutcheson 201
3:30-5:30  Historic Preservation Group, Mock Zoning Meeting,
3:30-5:30  Paleontology Group, Hutcheson 201, Casting
5:30-6:00  Dinner – Cafeteria
6:30-8:30  Historical Geology Lab, Hutcheson 201
8:30-10:30  Open Time—Library open until 10:00
11:00  Lights out for students, Residential Staff Meeting

Friday, June 6
8:30-9:00  **Breakfast** – Cafeteria
9:00-9:30  Plenary Meeting, Rogers Stout 324
9:30-11:30 Tennessee History, Rogers Stout 324
12:30-1:00  Lunch Cafeteria
1:00-3:30  Historical Geology, Hutcheson 201
3:30-5:30  Historic Preservation Group, Rogers Stout 324
3:30-7:30  Paleontology Group, Gray Fossil Site
5:30-6:00  Dinner – Cafeteria
6:00-10:30  Open Time
11:00  Lights out for students, Residential Staff Meeting

Saturday, June 7
7:00-8:00  **Breakfast** – Continental Breakfast in dorm
8:00  Meet Washington County School bus to leave for **Knoxville**, **visit the East Tennessee Historical Society, Blount Mansion, Ramsey House, and the McClung Museum**, Jenny Parker will lead this trip.
11:00  Lights out for students, Residential Staff Meeting
Sunday, June 8
8:00-8:30  Breakfast – Continental Breakfast in dorm
9:00-2:00  Meet Washington County School bus to leave for Field Trip-Sam’s Gap for Historical Geology
3:00-10:00 Families are welcome to visit their students, must be back on campus by 10:00 pm, when dorm closes. Dinner will be brought in for those remaining on campus. Library is open 2:00-10:00 pm
11:00  Lights out for students, Residential Staff Meeting

Monday, June 9
8:00-8:30  Breakfast – Cafeteria
8:30-9:00  Plenary Meeting, Rogers Stout 324
9:00-1:00  Historic Preservation—Field Work
9:00-1:00  Paleontology—Gray Fossil Site
1:00-1:30  Lunch—Cafeteria
1:30-3:30  Clean up for class
3:30-5:30  Tennessee History, Rogers Stout 324
5:30-6:00  Dinner—Cafeteria
6:00-10:30 Open Time—Project Groups meet with counselors
11:00  Lights out for students, Residential Staff Meeting

Tuesday, June 10
8:00-8:30  Breakfast – Cafeteria
8:30-9:00  Plenary Meeting, Rogers Stout 324
9:00-1:00  Historic Preservation—Field Work
9:00-1:00  Paleontology, Hutcheson 201
1:00-2:00  Lunch—Cafeteria
3:00-5:30  Historical Geology, Hutcheson 201
5:30-6:00  Dinner—Cafeteria
6:30-8:30  Historical Geology Lab, Hutcheson 201
8:30-10:30 Open Time—Project Groups meet with counselors
11:00  Lights out for students, Residential Staff Meeting

Wednesday, June 11
8:00-8:30  Breakfast – Cafeteria
8:30-9:00  Plenary Meeting, Rogers Stout 324
9:00-1:00  Historic Preservation—Field Work
9:00-1:00  Paleontology Group Gray Fossil Site
1:00-1:30  Lunch—Cafeteria
1:30-5:30  Field Trip- Gray Fossil Site—Everybody—Washington County School bus
5:30-6:00  Dinner—Cafeteria
7:00-9:00  Tennessee History, Location TBA
9:00-10:30 Open Time—Project Groups meet with counselors
11:00  Lights out for students, Residential Staff Meeting
Thursday, June 12
8:00-8:30  Breakfast – Cafeteria
8:30-9:00  Plenary Meeting, Rogers Stout 324

Appendix I

2008 Governor’s School for Scientific Models and Data Analysis
East Tennessee State University
Participant Program Evaluation Questionnaire

Your Name ____________________________________________________

Summary Results______________________________________________

Today’s Date __________________________________________________

For each of the following questions put an “X” in the space indicating the best answer based on your Governor’s School experience.

General Questions:

1. What is the level of your satisfaction with the Governor’s School Program offered as a university credit program:
   The for-credit aspect is very important to me _____
   I am neutral on the for-credit aspect _____
   I would have preferred that the program be offered on a non-credit basis _____

2. What is your level of satisfaction with a five-week Governor’s School Program:
   I think that a five-week program is fine _____
   I would have preferred a shorter program even if the number of university credit hours was reduced _____
   I would have preferred that the program be longer to have more time to learn the course material covered _____

3. What was the adequacy of your high school background for you to readily learn the new material covered in the Governor’s School courses:
   I had a very good background to handle course material _____
   I had some missing background (e.g. calculus, physics) which would have facilitated my learning experience _____
   My background was not very helpful for learning the Governor’s School course material _____

4. If you had had a choice of a topic other than Biomedical Engineering for the Scientific Model and Data Analysis Governor’s School, indicate your preferred topic (pick only one):
   Aerospace engineering _____
   Chemical engineering _____
   Civil engineering _____
   Electrical and computer engineering _____
   Industrial and information engineering _____
   Materials Science and engineering _____
   Mechanical engineering _____
Core Educational Program (BME 271 and BME 300)

1. Did you find the material covered interesting?
   All of the time _____
   Most of the time _____
   Some of the time _____
   Occasionally _____
   Not at all _____

2. Do you think the textbook was useful to your learning the course material?
   All of the time _____
   Most of the time _____
   Some of the time _____
   Occasionally _____
   Not at all _____

3. The division of time spent on classroom lectures, team projects and homework was well-balanced:
   All of the time _____
   Most of the time _____
   Some of the time _____
   Occasionally _____
   Not at all _____

   More time should be spent on:  
   Team projects ________
   Free time ________
   Problem solving ________
   Building things ________
   Individual projects ________

   Less time should be spent on:  
   School work ________
   Lectures ________
   Statics ________
   Projects ________

4. In general, did you have enough time (in and out-of class) to finish all of your homework and project assignments:
   Yes _____
   No _____

5. Weekly tests appropriately covered material presented in class and in-class learning exercises:
   All of the time _____
   Most of the time _____
   Some of the time _____
Occasionally _____
Not at all _____

6. You feel that the scores you earned on tests reflected the actual extent to which you mastered course material:
   Very closely _____
   Somewhat ____
   Not very much _____
   Not at all _____

7. The assigned team design projects were interesting and contributed to your learning experience:
   In every case _____
   Most of the time _____
   Some of the time _____
   Occasionally _____
   Not at all _____

8. The teaching effectiveness and general helpfulness of the teaching assistants (Gretchen and Jason) was:
   Excellent _____
   Very good _____
   Good _____
   Fair _____
   Poor _____

Enrichment and Recreational Activities

1. The following activities included in the 2008 Governor’s School for Scientific Models and Data Analysis Program were of substantial value and should be repeated in future programs:
   Picnics _____
   Off-campus meal events _____
   Visit to Knoxville Zoo _____
   Visit to Knoxville Museum of Art ______
   Visit to the UT McClung Museum ______
   Activities at the ETSU main library _____
   ETSU Star Gazing _____
   Kayak orientation _____
   In-dorm movies _____
   Off-campus movies _____
   Presentations and lab tours of ETSU Math/Science Departments ____
   Laser Quest _____
   Use of ETSU pool and sports equipment _____

   Comments on any of the above activities:
   _________________________________________________________________
   _________________________________________________________________

32
2. What other activities would you have liked to be included in the Governor’s School Program?

______________________________________________________________

Dormitory Lodging

1. You feel that your stay in the Humes Hall dormitory was:
   Excellent accommodations and enjoyable ____
   OK accommodations but not great ____
   Not satisfactory _____
   Reason ____________________________________________

2. The effectiveness and helpfulness of the four RAs (as a group) in providing dormitory oversight and in accompanying you on group activities was:
   Very effective/helpful ____
   Usually/somewhat effective/helpful _____
   Not very effective/helpful _____

On-Campus Meals

1. You feel that the food served on-campus was of good variety and quality:
   Always _____
   Most of the time _____
   Some of the time _____
   Not very often _____
   Never _____

Overall Program Evaluation

1. Your overall rating of the 2008 Governor’s School for Scientific Models and Data Analysis Program is that it was:
   Excellent _____
   Very good _____
   Good _____
   Fair _____
   Unsatisfactory/poor _____
