

School of Graduate Studies

The mission of the School of Graduate Studies is to foster post-baccalaureate programs of scholarship that are recognized for their excellence and contributions to society. The School of Graduate Studies will provide an environment that stimulates:

- Advanced understanding of the concepts, issues and practices of a discipline;
- Independent thought and the ability to generate new knowledge;
- The ability to contribute significantly to the academic community, professions, and society;
- Diversity among ideas, programs, and people.
