

## **SOAA Policies**

**Most recently updated on 3/11/20**

Graduate students receiving Graduate Assistantships and Tuition Scholarships are evaluated each semester using an assessment rubric. The rubric is subject to change at any time per graduate faculty decision.

Graduate students will only be allowed to repeat a course in which they received a C or higher with permission from the graduate director.

*This page on policy was established after university protocols for establishing new departmental policy were implemented during the Spring 20 semester. Policies are subject to change without notice.*
