Section III: Required Nomination Materials

To ensure the Selection Committee can thoroughly evaluate the nominee, please attach the following documents to this application. **Submissions without a biography or supporting justification cannot be considered for induction.**

1. Justification Statement or Letter of Recommendation

Please provide a detailed narrative or letter of recommendation in a separate Word document or Portable Document Format file explaining why this individual merits induction into the Hall of Fame. If these aspects are not already covered within their biography, the document must include:

- **Program Association:** A clear explanation of the nominee's relationship to the East Tennessee State University Army Reserve Officers' Training Corps program (including graduation year or specific years of engagement).
- **Rationale for Induction:** The specific reasons why this individual stands out and deserves this high honor.
- **Service and Distinction:** Key highlights of their achievements, leadership, and notable accomplishments within either the military or civilian sectors.
- **Support Categories:** Distinct examples demonstrating how the nominee has provided vital support to the United States Army, the local community, and the East Tennessee State University Army Reserve Officers' Training Corps program.

2. Nominee Biography and Photograph

- **Biography:** A comprehensive professional biography summarizing the career, education, and milestones of the nominee.
- **Photograph:** A high-resolution professional photograph or headshot (military or civilian uniform/attire) of the nominee.
