Greetings Little Buc's Families!

The Little Buc's Teaching Team is eagerly preparing for the arrival of your children at our new location on 2101 Signal Drive. We have spent the past several weeks preparing beautiful and safe environments for the youngest Buccaneers!

We realize that this is a time of uncertainty for all and have been carefully working on our **COVID-19 re-opening plans**. These plans have been created to align with CDC guidelines, DHS guidelines, and ETSU policies.

We have made several adjustments to our regular policies and procedures to ensure the safest care for the children and staff. Please take the time to review the re-opening plans. I welcome any questions. Please reach out to me at **423-439-7549** or email **huber@etsu.edu** with inquiries.

Warm Regards,
Beth Huber, Interim On-site Director
