Approved: _____ Date: _____
Graduate Program Coordinator

Add-On Licensure Information: This program is designed primarily for persons who are already licensed to teach at the elementary level in the State of Tennessee. People who hold a valid Tennessee teaching license in another area may be eligible for an "Elementary Add-On" by taking two specified courses for the six hours of content electives (CUAI 5407 Integrating the Creative Arts and MEDA 5628 Children's Materials) along with completing a practicum at the elementary level (CUAI 5900). Consult the program coordinator early in your program if you are planning to work on an elementary add-on at the same time you are working on a Master's Degree in Elementary Education.
