2022-2023: Lesson Plan Evaluation

2022-2023 ETSU Lesson Plan Rubric (N=4): Students successfully completed a lesson plan in READ 5231 in either spring or fall 2022 (N=4), depending on their individual program of study. Overall, students met or exceeded expectations on the lesson plan rubric. The highest scores were achieved in creating essential questions and “I can” statements (3), standards (2.8), assessment/evaluation (2.8), instructional procedures (2.8), technology use (2.8), and classroom management (3). The lowest score of 2.4 was in the sections focused on knowing your learners and meeting individual and small group needs for instruction, meaningful set/motivator and closure of the lesson, and academic feedback.
